

Animal Farm Chapter Four Questions

Directions: Answer each in a complete sentence. Use textual evidence to support your response.

1. What do Snowball and Napoleon do to encourage the spread of Animalism?

Snowball and Napoleon encourage the spread of Animalism by sending "out flights of pigeons whose instructions were to mingle with the animals on neighboring farms" (Orwell, 54).

2. Who are Frederick and Pilkington?

Frederick and Pilkington are the owners of the farms that reside on each side of Animal Farm.

3. In what ways do the humans try and stop the spread of Animalism?

The humans try and stop the spread of Animalism by stating "the animals there practiced cannibalism, tortured one another with red-hot horseshoes, and had females in common" (Orwell, 55). They were basically trying to spread lies so that the animals would not want to rebel.

4. Where does Snowball get his ideas for defending Animal Farm?

Snowball gets his ideas for defending Animal Farm by studying "an old book of Julius Caesar's campaigns" (Orwell, 57).

5. Describe how the animals are able to successfully defend the farm against the humans.

The animals are able to successfully defend the farm against the humans by working together and strategically planning their defenses.

6. Which animals are injured or killed during the battle?

During the battle, Snowball is injured and one sheep is killed.

7. How do the animals celebrate their victory?

The animals celebrate their victory by reassembling "in the wildest excitement, each recounting his own exploits in the battle" (Orwell, 59).

They also hoisted the flag and sung *Beasts of England*.

8. What part does Napoleon play during the Battle of the Cowshed? What do you think this says about him? During the Battle of the Cowshed, Napoleon was not present whatsoever. His lack of presence shows that Napoleon does not care for the well-being of everyone and does not share in the defense of the farm.

Scholarship Tests **George Orwell** John Rodden, 2017-09-04 The making of literary reputations is as much a reflection of a writer's surrounding culture and politics as it is of the intrinsic quality and importance of his work The current stature of George Orwell commonly recognized as the foremost political journalist and essayist of the century provides a notable instance of a writer whose legacy has been claimed from a host of contending political interests The exemplary clarity and force of his style the rectitude of his political judgment along with his personal integrity have made him as he famously noted of Dickens a writer well worth stealing Thus the intellectual battles over Orwell's posthumous career point up ambiguities in Orwell's own work as they do in the motives of his would-be heirs John Rodden's *George Orwell The Politics of Literary Reputation* breaks new ground in bringing Orwell's work into proper focus while providing much original insight into the phenomenon of literary fame Rodden's intent is to clarify who Orwell was as a writer during his lifetime and who he became after his death He explores the dichotomies between the novelist and the essayist the socialist and the anti-communist and the contrast between his day-to-day activities as a journalist and his latter-day elevation to political prophet and secular saint Rodden's approach is both contextual and textual analyzing available reception materials on Orwell along with audiences and publications decisive for shaping his reputation He then offers a detailed historical and biographical interpretation of the reception scene analyzing how and why did individuals and audiences cast Orwell in their own images and how these projected images served their own political needs and aspirations Examined here are the views of Orwell as quixotic moralist socialist renegade anarchist English patriot neo-conservative forerunner of cultural studies and even media and commercial star Rodden concludes with a consideration of the meaning of Orwell's work in the *A New Technological Era for American Agriculture* United States. Congress. Office of Technology Assessment, 1992 *The Synergy of Inquiry* Paul Jablon, 2014-12-15 Learning how to seek out answers to questions without the help of the teacher is important to students' academic success With this resource teachers will learn to help their students understand how to find the answers they need in an effective way Regardless of the standard language arts mathematics science or social studies an inquiry approach to teaching is not only effective but is an efficient way to engage students to help them achieve the standards This valuable and timely resource provides a synergistic set of practices that create a proven way for students to develop deep conceptual understandings complex thinking skills and enduring practices *The Idea of Difficulty in Literature* Alan Carroll Purves, 1991-01-01 This book redefines the nature of textual difficulty in literature and shows the implications of the new definition for teachers at all levels of education Contrary to the traditional use of grade levels or readability formulae the authors redefine difficulty in terms of readers and the texts they meet They base their arguments on contemporary linguistic theory on historical and comparative studies of criticism on literary theory about readers and texts on post-Freudian psychology on empirical research concerning the nature of reading literature and on studies of classrooms curricula and testing What emerges is a coherent work that builds a case for seeing difficulty in literature as a human phenomenon more than a textual one *Study*

Guide to Animal Farm by George Orwell Intelligent Education, 2020-09-12 A comprehensive study guide offering in depth explanation essay and test prep for George Orwell's *Animal Farm* one of the most famous political satires to this day As a book of the twentieth century prior to the Cold War it remains among the most celebrated allegorical novellas Moreover *Animal Farm* while controversial at its time became a success due to the political shift of the Cold War This Bright Notes Study Guide explores the context and history of George Orwell's classic work helping students to thoroughly explore the reasons it has stood the literary test of time Each Bright Notes Study Guide contains Introductions to the Author and the Work Character Summaries Plot Guides Section and Chapter Overviews Test Essay and Study Q As The Bright Notes Study Guide series offers an in depth tour of more than 275 classic works of literature exploring characters critical commentary historical background plots and themes This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research

CliffsTestPrep Praxis II: English Subject Area Assessments (0041, 0042, 0043, 0048, 0049) Diane E Kern, 2011-11-30 A veteran hockey writer takes on hockey culture and the NHL addressing the games most controversial issue Whether its on ice fist fights or head shots into the glass hockey has become a nightly news spectacle with players pummeling and bashing each other across the ice like drunken gladiators And while the NHL may actually condone on ice violence as a ticket draw diehard hockey fan and expert Adam Proteau argues against hockeys transformation into a thuggish blood sport In *Fighting the Good Fight* Proteau sheds light on the many perspectives of those in and around the game with interviews of current and former NHL stars coaches general managers and league executives as well as medical experts One of the most well known media figures on the hockey scene today famous for his funny feisty observations as a writer for the *Toronto Star* and *The Hockey News* and commentator on CBC radio and TV Adam Proteau is also one of the few mainstream media voices who is vehemently anti fighting in hockey Not only is his book a plea to the games gatekeepers to finally clamp down on the runaway violence that permeates the sport even at its highest level he offers realistic suggestions on ways to finally clean the game up Includes interviews with medical experts on head injuries and concussions as well as with other members of the media The author not only wages an attack on the value of fighting in hockey but also on the establishment hockey culture Covering the most polarizing issue in hockey today *Fighting the Good Fight* gives hockey fans and sports lovers everywhere a reason to stamp their feet and whistle at a rare display of eloquence and common sense WebCatUpdater Profile_5 1326742169646

Mocktime Publication,101-01-01 generated by python docx *Bring Your Own Pencil!* Buddy Lee Walter,2021-09-18 In the
tradition of Goodbye Mr Chips Blackboard Jungle Up the Down Staircase and Welcome Back Kotter High school English and
theatre teacher Buddy Lee Walter s fictionalized autobiography Bring Your Own Pencil The Making of a Teacher will keep
you in stitches while satirizing frustrated teachers bumbling administrations stupid bureaucracies crazy students troubled
students cool students and the social conditions which produced all this Eduardo Ciannelli finds himself unexpectedly in front
of a classroom of high school students and finds himself His story is one of a reluctant accidental teacher who has to confront
his own biases and assumptions about himself his students and the educational system in order to reach the understanding
that the entire thing is ultimately about the human connection It is about the teacher student relationship and how
sometimes these roles get reversed Join Eduardo on his journey as he deals with the best and worst of administrators and the
most centered and most troubled of students to discover if he even wants to be a teacher and if so how to become a better
one
