**Colorado Bride** Cynthia Woolf, 2017-02-06 Emily Loring survived the last few years as a governess to a rich family's children. But when the lord of the house can't keep his hands to himself, she's left with no option but to risk everything as a mail order bride. Raised in a New York orphanage, she's always dreamed of a husband and children of her own, but even that small dream always felt out of reach. The city is all she's ever known, but the promise of a family, a place to call home drives her to risk everything and head for the wilds of the Colorado Territory and the arms of a stranger. Ben Logan fell in love once to a city girl who left him at the altar to run off with another man. A mail order bride appears to be the answer to his need for a wife to warm his bed as long as she loves the country life as he does. He doesn't need much, but he won't risk his heart again. When Emily arrives, her curves tempt him nearly as much as her smile. But his ex-fiancée is back and determined to have Ben for herself, even if it means murder.

**Zach** Cynthia Woolf, 2013-10-02 Zach Anderson is a desperate man. He needs to find a killer before the man destroys Zach's entire family. He also must convince one Lily Sutter, the woman he loves, that she loves him and wants to marry him. Neither task is an easy one. Lily Sutter is a sinner. Just ask anyone in Deadwood. She had a baby out of wedlock and she doesn't deny it. She was seduced and left by one man; she refuses to be taken in by another. The fact that Zach makes her blood boil and her heart race just by being near has nothing to do with anything.

**Sophia** Cynthia Woolf, 2016-06-28 Working long hours in a New York City bakery is not at all what Sophia Hayes had planned for her life. When her fiancé breaks their engagement, her chance to marry her thinner, blonder, more beautiful sister, Sophia, knows it is time to do something drastic, something completely unexpected. All she's ever wanted is to have a husband and family of her own. Agreeing to be a mail order bride seems the perfect answer. Robert Langley has been a sailor his entire life. As Captain of the Sapphire of India, his last cargo made him a very wealthy man, but his time at sea cost him much. His wife was killed in an accident while running away with another man, leaving him a widower with four young children who barely recognize their own father. A mail order bride seems to be the ideal solution. He simply needs a willing woman to warm his bed and a compassionate woman to raise his children. Love is not an option. Sophia's sister is not content to leave well enough alone. When her husband dies unexpectedly, she makes her way to San Francisco to do what she has always done: take what she wants. And the moment she sets eyes on her sister's new family, what she wants is Robert Langley. Sophia has always believed her stunning, talented sister deserved the best in life. But this time, Sophia is in love, and she's not going to surrender without a fight.
