Among His Books Charlie Lovett, 2005-05-31 Charles Lutwidge Dodgson known better by his pseudonym Lewis Carroll was a 19th century English logician mathematician photographer and novelist He is especially remembered for his children's tale Alice's Adventures in Wonderland and its sequel Through the Looking Glass By the time of Dodgson's death in 1898 Alice the integration of the two volumes had become the most popular children's book in England By the time of his centenary in 1932 it was perhaps the most famous in the world This book presents a complete catalogue of Dodgson's personal library with attention to every book the author is known to have owned or read Alphabetized entries fully describe each book its edition its contents its importance and any particular relevance it might have had to Dodgson The library not only provides a plethora of fodder for further study on Dodgson but also reflects the Victorian world of the second half of the 19th century a time of unprecedented investigation experimentation invention and imagination Dodgson's volumes represent a vast array of academic interests from Victorian England and beyond including homeopathic medicine spiritualism astrology evolution women's rights children's literature linguistics theology eugenics and many others The catalogue is designed for scholars seeking insight into the mind of Charles Dodgson through his books *Make Me Need (The Make Me Series, Book 4) (Mills & Boon Dare)* Katee Robert, 2019-07-01 He needs to resist her **Khushwant Singh's Joke Book 9** Khushwant Singh, 2018-09-11 I can do no better than reproduce the introduction I have written for my 9th Joke Book It says all I want to say about my being an inveterate Joker I was 94 when Joke Book 8 was published I was sure that it would be the last of the series I was on a diet of pills and in poor health But here I am 97 years old and here is Joke Book 9 Orient Paperbacks Laughter is evidently the elixir of life the best tonic in the world to ensure a long and happy life Laughter is not only the best tonic but humorous writing and relating other people's jokes is very lucrative as both my publishers and I have found Everyone of the earlier books in the series has gone into more than a dozen reprints They are to be seen on pavement railway station and airport bookstalls But not everyone enjoys jokes especially when they are the target This is especially true of

politicians who have notoriously thin skins We have had quite a few very good cartoonists Shankar Pillai R K Laxman Vijayan Rajinder Puri Mario Miranda Their cartoons have enlivened our newspapers and magazines and brought a smile on our faces But many politicians and political parties take themselves very seriously and consider far too many topics as sacred cows not to be laughed about They take umbrage at being the butt of jokes Laughter for them is no laughing matter They serve who poke fun at them with legal notices or worse I cannot take credit for the jokes appearing in the book A large number were sent to me by readers who have been acknowledged by their names Some I made up or moulded from jokes I picked up from friends books and magazines At the end of the day more than my other work as a novelist short story writer historian of the Sikhs or translator I am known for my joke books At every gathering I am implored Kkoi joke shoke ho jai let there be a joke or two I am known as a Joker Khushwant Singh Hindustan Times *Beneath the Mockingbird's Wings (Spirit of Appalachia Book #4)* Gilbert Morris, Aaron McCarver, 1999-10-01 He is torn between his two ancestries She is the only person who seemed to befriend him The American Revolution may have ended but life for the settlers of the land over the Appalachian Mountains was hardly settled British attempts to drive the Americans out of the land and hostilities with the Cherokees put a tremendous strain upon the inhabitants Nathaniel Fox Carter part Cherokee finds himself caught in the region s increasing unrest When he decides to explore his ancestry he is befriended by Hannah Spencer who tries to help him discover who he is and where he belongs Little does he know that forces from both sides of his heritage are conspiring toward his destruction Will Hannah be able to convince Carter that working for the cause of war is not the right path to follow **HSSC Staff**

Fast Pitch Fifties Pete Gallo,2013-06-28 Fast Pitch A lost chapter in the history of America s favorite pastime is finally recovered and retold in brilliant and play by play detail in Pete Gallo s book Fast Pitch Fifties Readers are warmly invited to revisit New Rochelle during the 1950s and discover the Twilight League and windmill baseball at its height as some 20 teams battled for championship titles and local bragging rights Fast Pitch recalls a period when local sports was king and a championship series in towns like New Rochelle would draw crowds that were measured in the tens of thousands Based on interviews and historical accounts the author brings to life local legends of windmill at its height such as pitcher Rush Riley who threw a softball at major league speeds and was known for his Olympian endurance playing up to ten games per week While many of the names are less familiar windmill stars who managed national acclaim are also recalled such as Hicksville

Long Island native Roy Stevenson an early pioneer of windmill pitch who helped inspire a generation of players in the New York metropolitan area Aimed at sports fans the book is also the story of an era one full of memorable characters like Popeye Claps an affable stationery store owner and baseball coach who managed to get Roy Rogers and his troupe to visit New Rochelle for an ad hoc block party for local kids Then there was Bruce Flowers a professional boxer who helped lead New Rochelle s most winning windmill team for the decade the New Rochelle Royals You will read about Bill Marino a veteran who lost his arm in World War II but remarkably managed to recapture personal glory by becoming one of the league s most feared pitchers The author also finds that windmill s most prominent feature lead to its decline in community sports It was a game where sheer pitching strength ruled the day making balancing league play difficult which helped give rise to its successor modern slow pitch softball Though fast pitch persists in popularity particularly among women s college leagues Gallo brings us back to an era when communities across America were first discovering the game The book recalls how the social fabric of the 1950s with its unbridled post war optimism and corresponding economic boom provided for a golden era in community sports from stickball play to fast pitch Gallo reminds us of how this amateur recreational league evolved to resemble a full fledged minor B ball league housed in a single city the Queen City of the Sound **Bag Man** Lew
