Apostate! No More Bazoodee: A Grenadian Quest to Think Outside the Box Seon M. Lewis, 2015-10-13 Most if not all Grenadians have grown up hearing stories of la diablesse lagahou and sookooyant But have you ever wondered about the origin of these stories This book just doesn't re-tell these stories It traces their origins and looks at them as being influential in helping shape our self identity and our interpersonal relationship In fact this book examines and critiques aspects of the Grenadian sociocultural and sociopolitical culture that seek in many ways to minimize and suppress the individual's search for self identity especially as he or she tries to pursue knowledge that appears to be outside the socially accepted In doing so this book follows the author's journey as he analyzes old ideas and engaged with new ones Also central to this book is that it seeks to help the individual develop his or her moral and ethical awareness

The Future of God in the Global Village Thomas R. McFaul, 2011-10-11 In the long trek of human history the adage that there will never be peace among the nations until there is peace among the religions has never been truer The growing trend toward spiritually inspired violence throughout the emerging global village of the twenty first century has taken a terrible toll on the lives of thousands of innocent victims The primary purpose of this book is to address this issue head on by examining the role that the earth's diverse faith communities can play in stopping the needless hatreds and hostilities that all too often arise from the search for spiritual fulfillment At this stage of human evolution nothing is more urgent

Representing Religion Tim Murphy, 2014-12-05 If religion is continually in a state of flux how can the study of religion critically examine contemporary religious beliefs and values *Representing Religion* critically examines this crisis of representation The volume traces the history of religious studies critiquing the concept that experience is central to understanding religion The views of influential semioticians and philosophers notably Nietzsche Saussure Foucault Barthes and Bakhtin are used to construct a new methodology for the critical study of religion *Representing Religion* will be of interest to students and scholars of semiotics as well as theory and method in religious studies

Understanding World Religions Irving Hexham, 2011-03-22 Globalization and high speed communication put twenty first century people in contact with adherents to a wide variety of world religions but usually valuable knowledge of these other traditions is limited at best On the one hand religious stereotypes abound hampering a serious exploration of unfamiliar philosophies and practices On the other hand the popular idea that all religions lead to the same God or the same moral life fails to account for the distinctive origins and radically different teachings found across the world's many religions *Understanding World Religions* presents religion as a complex and intriguing matrix of history philosophy culture beliefs and practices Hexham believes that a certain degree of objectivity and critique is inherent

in the study of religion and he guides readers in responsible ways of carrying this out Of particular importance is Hexham's decision to explore African religions which have frequently been absent from major religion texts He surveys these in addition to varieties of Hinduism Buddhism Judaism Christianity and Islam **Religion in America** Timothy L. Hall, 2007 Presents an overview of the history of religion in America and includes excerpts from primary source documents short biographies of influential people and more American Journal of Islamic Social Sciences 12:2 Ahdulkader I.
