**Student Study Guide to The Ancient Greek World** Jennifer T. Roberts, Tracy Barrett, 2005-10 Study guide to accompany The ancient Greek world Jennifer Roberts Tracy Barrett c2004 **Ancient Greece and Rome** Keith Hopwood, 1995 Sir Thomas Fairfax not Oliver Cromwell was creator and commander of Parliament's New Model Army from 1645 to 1650 Although Fairfax emerged as England's most successful commander of the 1640s this book challenges the orthodoxy that he was purely a military figure showing how he was not apolitical or disinterested in politics The book combines narrative and thematic approaches to explore the wider issues of popular allegiance puritan religion concepts of honour image reputation memory gender literature and Fairfax's relationship with Cromwell Black Tom delivers a groundbreaking examination of the transformative experience of the English revolution from the viewpoint of one of its leading yet most neglected participants It is the first modern academic study of Fairfax making it essential reading for university students as well as historians of the seventeenth century Its accessible style will appeal to a wider audience of those interested in the civil wars and interregnum more generally Ancient Greek Texts and Modern Narrative Theory Jonas Grethlein, 2023-05-25 The taxonomies of narratology have proven valuable tools for the analysis of ancient literature but since they were mostly forged in the analysis of modern novels they have also occluded the distinct quality of ancient narrative and its understanding in antiquity Ancient Greek Texts and Modern Narrative Theory paves the way for a new approach to ancient narrative that investigates its specific logic Jonas Grethlein's sophisticated discussion of a wide range of literary texts in conjunction with works of criticism sheds new light on such central issues as fictionality voice Theory of Mind and narrative motivation The book provides classicists with an introduction to ancient views of narrative but is also a major contribution to a historically sensitive theory of narrative Building Vocabulary: Level 11 Kit Timothy Rasinski, Nancy Padak, Rick M.
