Angel Fire Gerri Hill:

Angel Fire Gerri Hill, 2014-12-10 A vacation out of the city sounds like just the ticket for Tori Hunter and Sam Kennedy. Joining their Dallas Police Department pals Casey O'Connor and Leslie Tucker in a rented RV, they set out for the New Mexico mountains and on a collision course with a manhunt. FBI agents Cameron Ross and Andrea Sullivan are tracking a deadly quarry in desolate territory. An ex-teammate from Cameron's Special Ops days is in deep hiding, planning who knows what to cap off a killing spree. With a hostage at stake and time running out, Cameron reluctantly agrees to outside help from women she doesn't know or trust. In the crossover that fans have been clamoring for, it's a heart-pounding race against time that challenges the courage and commitment of the exceptional women from Gerri Hill's *Hunter's Way* and *Devil's Rock* Series.

Paradox Valley Gerri Hill, 2016-07-01 Was it an earthquake? A meteor? Or something else entirely? Running from a marriage proposal in Seattle, Dana Ingram returns to her parents' farm in Western Colorado for a two-week vacation in Paradox Valley. Only a couple of days into it, however, a small earthquake leaves them without power. Cars won't start, batteries don't work, and cell phones are useless. When a Black Hawk helicopter vanishes off of radar, Captain Corey Conaway is sent in to locate it, and its crew all while keeping the disappearance out of the media. When she meets Dana and her cousin Butch, Corey solicits their help in the search. But as they travel on horseback through the rugged and remote Paradox Valley, what they stumble upon soon has them running for their lives.

She spends her solitary days walking childhood trails and reminiscing, trying to reconcile the conflict within her as she struggles with survivor's guilt. After the death of her husband, Hannah Larson needs a change. At the suggestion of her mother-in-law and against her better judgment, she and her son Jack move to tiny Utopia and into her husband's grandmother's house. When Jack and Lindsey form an unlikely friendship, Hannah reluctantly joins them, and the three spend the summer swimming and healing as laughter eventually replaces tears. After Jack goes back to school, Hannah assumes their summer fun is over. Instead, Lindsey continues to come around, and now as they find themselves alone, Hannah realizes just how close they've become. Soon she finds herself struggling with her feelings as their friendship threatens to shift into something much deeper, something she fears she won't be able to fight. Something she fears she won't want to fight. A story of grief and healing, a story of love.
