Clifford Lane

Angeles Architecture Compleat Guide In Los:

Architecture in Los Angeles : a compleat guide David Gebhard, Robert Winter, 1985 **An Architectural Guidebook to Los Angeles** Robert Winter, 2009-09 Known as the bible to Los Angeles architecture scholars and enthusiasts Robert Winter and David Gebhard's groundbreaking guide to architecture in the greater Los Angeles area is updated and revised once again From Art Deco to Beaux Arts Spanish Colonial to Mission Revival Winter discusses an impressive variety of architectural styles in this popular guide that he co authored with the late David Gebhard New buildings and sites have been added along with all new photography Considered the most thorough L A architecture guide ever written this new edition features the best of the past and present from Charles and Henry Greene's Gamble House to Frank Gehry's Disney Philharmonic Hall This was and is again a must have guide to a diverse and architecturally rich area Robert Winter is a recognized architectural historian who lives in Los Angeles and has led architectural tours through the Los Angeles area since 1965 He is a professor at Occidental College in Los Angeles *Architecture in Los Angeles*, 1985 **The ^ADream Endures** Kevin Starr, 2002-11-28 What we now call the good life first appeared in California during the 1930s Motels home trailers drive ins barbecues beach life and surfing sports from polo and tennis and golf to mountain climbing and skiing sportswear a word coined at the time and sun suits were all a part of the good life perhaps California's most distinctive influence of the 1930s In *The Dream Endures* Kevin Starr shows how the good life prospered in California in pursuits such as film fiction leisure and architecture and helped to define American culture and society then and for years to come Starr previously chronicled how Californians absorbed the thousand natural shocks of the Great Depression unemployment strikes Communist agitation reactionary conspiracies in *Endangered Dreams* the fourth volume of his classic history of California In *The Dream Endures* Starr reveals the other side of the picture examining the newly important places where the good life flourished like Los Angeles where Hollywood lived Palm Springs where Hollywood vacationed San Diego where the Navy went the California Institute of Technology in Pasadena where Einstein went and changed his view of the universe and college towns like Berkeley We read about the rich urban life of San Francisco and Los Angeles and in newly important communities like Carmel and San Simeon the home of William Randolph Hearst where each Thursday afternoon automobiles packed with Hollywood celebrities would arrive from Southern California for the long weekend at Hearst Castle The 1930s were the heyday of the Hollywood studios and Starr brilliantly captures Hollywood films and the society that surrounded the studios Starr offers an astute discussion of the European refugees who arrived in Hollywood during the period prominent European film actors and artists and the creative refugees who were drawn to Hollywood and Southern California in these years Igor Stravinsky Arnold Schoenberg Man Ray Bertolt Brecht Christopher Isherwood Aldous Huxley Thomas Mann and Franz Werfel Starr gives a fascinating account of how many of them attempted to recreate their European world in California and how others like Samuel Goldwyn provided stories and dreams for their adopted nation Starr reserves his greatest

attention and most memorable writing for San Francisco For Starr despite the city's beauty and commercial importance San Francisco's most important achievement was the sense of well being it conferred on its citizens It was a city that magically belonged to everyone Whether discussing photographers like Edward Weston and Ansel Adams hard boiled fiction writers or the new breed of female star Marlene Dietrich Jean Harlow Bette Davis Carole Lombard and the improbable Mae West The Dream Endures is a brilliant social and cultural history in many ways the most far reaching and important of Starr's California books Los Angeles Annual Builders Guide, 1923 *The Routledge Companion to Art Deco* Bridget Elliott, Michael Windover, 2019-06-25 Scholarly interest in Art Deco has grown rapidly over the past fifty years spanning different academic disciplines This volume provides a guide to the current state of the field of Art Deco research by highlighting past accomplishments and promising new directions Chapters are presented in five sections based on key concepts migration public culture fashion politics and Art Deco's afterlife in heritage restoration and new media The book provides a range of perspectives on and approaches to these issues as well as to the concept of Art Deco itself It highlights the slipperiness of Art Deco yet points to its potential to shed new light on the complexities of modernity **AB Bookman's Weekly**, 1985 **Nothing Permanent** Todd Cronan, 2023-06-20 A critical look at the competing motivations behind one of modern architecture's most widely known and misunderstood movements Although mid century modern has evolved into a highly popular and ubiquitous architectural style this term obscures the varied perspectives and approaches of its original practitioners In *Nothing Permanent* Todd Cronan displaces generalizations with a nuanced intellectual history of architectural innovation in California between 1920 and 1970 uncovering the conflicting intentions that would go on to reshape the future of American domestic life Focusing on four primary figures R M Schindler Richard Neutra and Charles and Ray Eames *Nothing Permanent* demonstrates how this prolific era of modern architecture in California rather than constituting a homogenous movement was propelled by disparate approaches and aims Exemplified by the twin pillars of Schindler and Neutra and their respective ideological factions these two groups of architects represent opposing poles of architectural intentionality embodying divergent views about the dynamic between interior and exterior the idea of permanence and the extent to which architects could exercise control over the inhabitants of their structures Looking past California modernism's surface level idealization in present day style guides home decor publications films and television shows *Nothing Permanent* details the intellectual aesthetic and practical debates that lie at the roots of this complex architectural moment Extracting this period from its diffusion into visual culture Cronan argues that mid century architecture in California raised questions about the meaning of architecture and design that remain urgent today **American Urbanism** Howard Gillette, Zane Miller, 1987-08-19 One of the major growth fields of the past quarter century American urban history has generated a rich and diverse literature spanning a number of disciplines in the social sciences and humanities In this time of transition historians and practitioners alike can benefit greatly from assessing the

contributions of the field This valuable reference work takes a critical approach to existing literature Dealing with various related avenues of the field which have not always been closely linked together these essays provide a basis for new synthesis and reinterpretation as well as for judgment about the lasting effects of the American urban experience *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1964 Includes Part 1 Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January June **New Arrivals in Californiana** ,1984 The Rough Guide to California (Travel Guide with eBook) Rough Guides,2023-09-01 This practical travel guide to California features detailed factual travel tips and points of interest structured lists of all iconic must see sights as well as some off the beaten track treasures Our itinerary suggestions and expert author picks of things to see and do will make it a perfect companion both ahead of your trip and on the ground This California guide book is packed full of details on how to get there and around pre departure information and top time saving tips including a visual list of things not to miss Our colour coded maps make California easier to navigate while you re there This guide book to California has been fully updated post COVID 19 The Rough Guide to California covers Los Angeles San Diego the Deserts Death Valley the Sierra the Central Coast San Francisco the Gold Country Lake Tahoe and Northern California Inside this California travel guide you ll find RECOMMENDATIONS FOR EVERY TYPE OF TRAVELLER Experiences selected for every kind of trip to California from off the beaten track adventures in Yosemite Valley to family activities in child friendly places like Venice Beach or chilled out breaks in popular tourist areas like Salvation Mountain PRACTICAL TRAVEL TIPS Essential pre departure information including California entry requirements getting around health information travelling with children sports and outdoor activities food and drink festivals culture and etiquette shopping tips for travellers with disabilities and more TIME SAVING ITINERARIES Includes carefully planned routes covering the best of California which give a taste of the richness and diversity of the destination and have been created for different time frames or types of trip DETAILED REGIONAL COVERAGE Clear structure within each sightseeing chapter of this California travel guide includes regional highlights brief history detailed sights and places ordered geographically recommended restaurants hotels bars clubs and major shops or entertainment options INSIGHTS INTO GETTING AROUND LIKE A LOCAL Tips on how to beat the crowds save time and money and find the best local spots for surfing or climbing the saw toothed peaks of the Sierra Nevada HIGHLIGHTS OF THINGS NOT TO MISS Rough Guides rundown of Los Angeles Palm Springs Big Sur San Diego s best sights and top experiences help to make the most of each trip to California even in a short time HONEST AND INDEPENDENT REVIEWS Written by Rough Guides expert authors with a trademark blend of humour honesty and expertise this California guide book will help you find the best places matching different needs BACKGROUND INFORMATION Comprehensive Contexts chapter of this travel guide to California features fascinating insights into California with coverage of history religion ethnic groups environment wildlife and books plus a handy language section and glossary FABULOUS FULL COLOUR PHOTOGRAPHY

Kevin Starr,1990-04-12 Kevin Starr is the foremost chronicler of the California dream and indeed one of the finest narrative historians writing today on any subject The first two installments of his monumental cultural history Americans and the California Dream have been hailed as mature well proportioned and marvelously diverse and diverting The New York Times Book Review and rich in details and alive with interesting and sometimes incredible people Los Angeles Times Now in Material Dreams Starr turns to one of the most vibrant decades in the Golden State s history the 1920s when some two million Americans migrated to California the vast majority settling in or around Los Angeles In a lively and eminently readable narrative Starr reveals how Los Angeles arose almost defiantly on a site lacking many of the advantages required for urban development creating itself out of sheer will the Great Gatsby of American cities He describes how William Ellsworth Smyth the Peter the Hermit of the Irrigation Crusade the self educated Irish engineer William Mulholland who built the main aquaducts to Los Angeles and George Chaffey who diverted the Colorado River transforming desert into the lush Imperial Valley brought life supporting water to the arid South He examines the discovery of oil the boosters and land developers the evangelists such as Bob Shuler the Methodist Savanarola of Los Angeles and Aimee Semple McPherson and countless other colorful figures of the period There are also fascinating sections on the city s architecture the impact of the automobile on city planning the Hollywood film community the L A literati and much more By the end of the decade Los Angeles had tripled in population and become the fifth largest city in the nation In Material Dreams Starr captures this explosive growth in a narrative tour de force that combines wide ranging scholarship with captivating prose **California**

'96 ,1995 California, '98 Fodor's,Fodor's Travel Publications, Inc. Staff,1997-10-28 She may be super rich and drop dead gorgeous but Los Angeles socialite Callaway Wilde can be as insecure as any girl about her man s love Saying yes to a marriage proposal from sexy detective Evan Paley was a leap of faith for Cally who has been pursued by many and almost killed on occasion for her money When her fiance disappears Cally fears he s left her high and dry Turns out she s right but for the wrong reasons he s been kidnapped It started with a mysterious phone call that pulls Evan away from a little one on one time with Cally Evan refuses to identify the caller a woman in distress which brings Cally down to earth fast What secrets could he be keeping Big ones apparently a dead body soon turns up in Evan s house and Evan has vanished On a heart pounding race to find him Cally follows a trail of clues to cold blooded murder and deadly corruption and may uncover more than she bargained for about the man she thought she knew BOOK JACKET **Syracuse University Library Associates**
