Ledger while the creditors accounts are kept in the Purchase or Creditors Ledger The original Ledger now much reduced in size is called the General Ledger The Trial Balance now refers to the accounts in the General Ledger It is evident that the task of taking a Trial Balance is greatly simplified because so many fewer accounts are involved A Schedule of Accounts Receivable is then prepared consisting of the balances found in the Sales Ledger and its total must agree with the balance of the Accounts Receivable account shown in the Trial Balance A similar Schedule of Accounts Payable made up of all the balances in the Purchase Ledger is prepared and it must agree with the balance of the Accounts Payable account of the General Ledger The Balance Sheet In the more elementary part of the text the student learned how to prepare a Statement of Assets and Liabilities for the purpose of disclosing the net capital of an enterprise In the present chapter he was shown how to prepare a similar statement the Balance Sheet For all practical Get Fishing Allan Sefton,2019-07 This colourful lively book is aimed at complete beginners of all ages and those who have been out fishing a couple of times and want to take it further It outlines what you need to know to experience the joy of getting out there alone or with family and friends and enjoying a day or an afternoon fishing and catching whether it s mackerel pike or trout The book is endorsed by the Angling Trust and it has everything a beginner would need to know about the basics species tackle bait tactics and watercraft
