The War Against Nonhuman Animals Stacy Banwell,2023-05-09 We are currently engaged in an existential species war against nonhuman animals This book argues that during this war nonhuman animals should be granted legal personhood and treated as protected persons rather than the property of protected persons The main argument is that War Crimes and Crimes against Humanity rape forced pregnancy and other acts of sexual violence are being committed within the meat egg and dairy industries Avoiding dreaded comparisons the book explores shared sources of oppression between human and nonhuman animals who are subject to the expressions and consequences of reproductive violence It asks what drives and facilitates the war against nonhuman animals And what are the global consequences of this war Throughout it demonstrates how racism sexism and speciesism informs both intrahuman violence and the violence s of the animal industrial complex Ultimately the book asks us to reconsider what it means to be human

God's Solution Declan Hayes,2007-08 God s Solution demolishes the anti religious arguments of Richard Dawkins Sam Harris Daniel Dennett Peter Singer and atheism s other polemicists who have scurried aboard this lucrative bandwagon God s Solution begins by showing us that science not religion has always been war s harlot God s Solution then proceeds to show how and why sacred scripture makes sense and how the secular ideologies raged against it have always brought out the worst in people God s Solution then demolishes Darwinism as a scientific theory and denounces Darwin as the racist bigot that he was God s Solution uses a wide array of examples to show that Mother Nature is much too varied to be shoehorned into a simplistic theory like evolution God s Solution then uses the charity industry to show that religion not atheism holds the moral high ground In using the arguments of the secular jihadists to show how life without religion is meaningless God s Solution will prove a valuable resource to all readers who honestly seek the scientifically grounded metaphysical truths of their own inherited faith and who wish to imbue their children and grandchildren with those same beliefs
