Announcing A Basketball Game:

Write Spot Announcement Copy ,1985 *Women, Media and Sport* Pamela J. Creedon,1994-02-14 This book the first to link feminism sport and media theory provides a broad cultural studies orientation In addition to a theoretical analysis it provides a practical look at models of sport media effects and the construction of the sportswoman and women s sports Divided into three parts the book provides an overview of the three areas focuses on the print and broadcast media portrayal of women s sport examining such issues as the relationship of sports promotion to media representations of women s sports and the ways in which sports reporting is taught to future journalists and seeks to develop a new model for the future

Winning at the Card Game of Life Bob McGlenn,2009-06-10 Do you want to be successful Of course you say everyone wants to be successful yet how many people know what it takes or how to develop what it takes or even know what it looks like Is success fame or wealth or is it something else Not everyone can be famous or rich yet everyone can be successful Success is within the grasp of anyone who learns how to turn the cards they were dealt into a winning hand *Winning at the Card Game of Life* not only identifies the behaviors and approach involved in someone being successful but also how you can develop those same skills yourself Through the example of everyday people who achieved success you can see how you too can win at the card game of life Everyone wants to succeed and everyone can *Winning at the Card Game of Life* shows how success does not depend upon the cards you were dealt but rather how you play them Success starts with learning how commitment attitude resources decision making and scheme CARDS make up the foundation of all successful people A journey through the lives of twenty three seemingly common yet also dedicated inspirational and successful people confirms the book's premise that there are many roads to success To help the reader with their own journey to success there are exercises included in the book for self exploration and skill development The lessons role models and tools found in *Winning at the Card Game of Life* show how anyone can turn the cards they were dealt into a winning hand *Winning at the Card Game of Life* is a book that was designed with the young adult in mind but is applicable to anyone who is seeking the road to success The basic premise of the book is that Success depends not on the cards you were dealt but rather on how you play them There are twenty three stories of successful people such as a circus clown a chief of police and a POW who through the course of their lives reached a level of personal success The book reveals that their success is hidden in the CARDS which stands for commitment attitude resources decision making and scheme The book concludes with identifying how the reader can develop and apply these attributes to their journey to success There are also exercises in the book that can be used in the classroom to teach these concepts *Winning at the Card Game of Life* is for anyone who wants to create and achieve a successful life Based upon the basic premise that Success depends not on the cards you were dealt but rather on how you play them the book reveals how everyone can be successful Through the use of twenty three life stories of noncelebrity yet successful people as examples Dr McGlenn develops the concept that success is hidden in the CARDS and how everyone can
