Army Lawyer ,2006 **Personal Finance Under One Hour** Andrew W. Brown, Brendan M. Connolly, Personal finance is not usually taught in school which leads to learning most financial lessons by making costly mistakes in the real world Additionally most financial experts are actually salespeople in disguise whom are looking out for their commission rather than your investment While you personally do not need to be an expert having some basic knowledge on personal finance and doing some research will drastically help when making financial decisions This book will start you in the right direction *Personal Finance Under One Hour* does not encompass everything there is to learn about personal finance but instead is designed to give you a basic overview in only an hour Let's be honest most people do not have the time to read a 300 page book on any topic but many people can spare an hour Many sources such as books websites and personal mentors have inspired the contents of this book The goal is to sum up the best information these sources offer so you can get the most important points in the least amount of time By reading *Personal Finance Under One Hour* you will gain the necessary knowledge to expand your financial IQ and make better financial decisions *Under One Hour* books are broken down into six 10 minute sections making it easier to read and learn on the go Each section contains two or three main topics with sub topics to explore Bold words or phrases are the highlight of the topic or paragraph while italicized words are ideas to be explored further outside of the book *CliffsNotes Graduation Debt* Reyna Gobel, 2013-11-05 With updated information that

reflects the myriad changes in the student loan industry that affect students and their parents burdened with student loan debt *CliffsNotes Graduation Debt* Second Edition provides a step by step road map for effectively managing student loan debt and having a successful financial life Reyna Gobel has accumulated tens of thousands of dollars in student loans recovered from student loan default and set herself on a mission to help others who face a seemingly insurmountable student loan burden with a powerful message about taking a step by step approach and not being overwhelmed by the sheer weight of

student loan debt Divided into small subsections geared toward those neck deep in debt this book is easily digestible to students who aren't inclined to focus on their finances Readers are encouraged to take action steps such as finding long lost student loans that may have gone into default discovering payment plans they can afford consolidating loans when it makes sense to do so saving money on eating out and groceries improving credit scores tweaking their debt to income ratios so they can buy a home and discussing their student loan and non student loan debt with their significant others By the end of the book readers will be on the road to financial stability with extra money for vacations and other fun stuff too

Clean Up Your Credit! Richard Mansfield, 2022-05-15 Bad things happen to good people Events not always under our control can often result in our credit scores going down and sometimes way way down There are consumer protection laws that you can use to remove negative items from your credit report Because of a quirk in the law you can as the author did remove items that really are yours But if you try to go it alone the credit repair journey can be a nightmare This book introduces a step by step credit repair system actual documents the author used to settle suits and legal cases filed in federal courts against major credit bureaus These are the credit repair secrets they really don't want you to know from someone who successfully challenged the credit reporting industry Contrary to what you may believe there is a way to improve your credit score substantially and this book will help you get there The author was a vice president at Guardian Bank in charge of the collection department and went on to start a collection agency After selling the agency he became a credit restoration coach To prove what he knew in theory could in fact be done he stopped paying everything repossession foreclosure medical bills student loans and credit cards He even filed for bankruptcy His credit score went from over 800 down to 461 He had it back to 742 in five months Mr Mansfield walks you through every step of the credit restoration process As a bonus when you purchase the book there's information on how to contact Mr Mansfield directly There is no other credit restoration book like this
