What Is Wrong With the Bible? Charles Giuliani, 2018-07-26 The Bible is the number one best selling book of all time No other literary work in history has ever held so many people captive to its claims It is viewed as God's word an infallible moral guidebook and a timeless provider of hope and comfort But is there really any truth to these views Is the Bible really worthy of all this fanfare This book will reveal the ugly truth that the Bible is not at all what its fans think it to be In fact it is the very antithesis thereof And this book will prove all of this by using the bible itself as its own refuter

Twelve Biblical Steps to a Successful Marriage David S. Thompson, 2009-06 Marriage is one of the most satisfying and yet one of the most difficult relationships on earth God places a great importance on this relationship and gives very clear principles on how it is to be lived out in the daily life using the Word of God In Twelve Biblical Steps these Biblical principles will be carefully analyzed and clearly explained so that every Christian couple can grasp their significance and begin to carry them out in their marriages Some of these Biblical principles that are covered in this book are as follows Follow the instructions Building a spiritual network Becoming friends not just roommates Avoiding the triple threats Fight to unite not divide This book is not intended to cover all the challenges that married couples face It is not an in depth analysis of relationship issues It is not expected to answer all of the questions that couples may have as they learn to build a new home and a new family However it is a book that seeks to dig into God's Word and apply His truth to the marriage relationship The hope of this author is that the chapters that follow in this book will enable the husband and the wife to develop a marriage that is a success and so become examples for a new generation to follow Dr David S Thompson has pastored churches in Queens New York and in the Cayman Islands and in upstate New York He and his wife Judith have been married over 33 years and have raised five children He currently is the Professor of Bible and Missions at Trinity Baptist College **God's**

Word in Human Words Kenton L. Sparks, 2008-03-01 The conclusions of critical biblical scholarship often pose a disconcerting challenge to traditional Christian faith Between the two poles of uncritical embrace and outright rejection of these conclusions is there a third way Can evangelical believers incorporate the insights of biblical criticism while at the

same time maintaining a high view of Scripture and a vital faith In this provocative book Kenton Sparks argues that the insights from historical and biblical criticism can indeed be valuable to evangelicals and may even yield solutions to difficult issues in biblical studies while avoiding pat answers This constructive response to biblical criticism includes taking seriously both the divine and the human aspects of the Bible and acknowledging the diversity that exists in the biblical texts Book of Mormon Onomasticon & Theological Word Study Robert F. Wilson Eastman,2014-05-16 What do you believe about women s roles in church leadership Should women lead groups that include men Should women preach Should women be ordained More importantly why do you believe what you believe Plenty of books exist telling women what to think precious few help women think for themselves particularly about theological issues Women Leadership and the Bible helps women learn to interpret the Bible and discern for themselves answers to their questions about women s roles in the church along with any other issue they may face in life In straightforward plain language Dr Natalie Eastman introduces women to a five step easy to follow process for studying the Bible and interpreting what they study This book encourages women that they can think for themselves and can analyze significant theological issues despite any hesitations they may have any conflict surrounding an issue or any lack of theological training By the time readers finish this book they will have a biblically defensible theologically reasoned and thoroughly discerned understanding of what they believe Scripture says about women s roles and how that understanding could play out within the church No longer will they feel as though they have nothing to contribute when the subject of women s roles or any other of life s theological questions arises Word Studies in the New Testament: The Epistles of Paul: Romans, Corinthians, Ephesians, Philippians, Colossians, Philemon Marvin R.
