Lines on the Land Scott Herring, 2004 Lines on the Land Writers Art and the National Parks Scott Herring The nineteenth century photographer William Henry Jackson once complained of the skepticism with which early descriptions of Yellowstone were met the place was too wondrous to be believed The public demanded proof and a host of artists and writers obliged These early explorers possessed a vigorous devotion to the young nation s wilderness the naturalist John Muir famously toured the land from Wisconsin to Florida on foot and through their work established aesthetic categories that exist to this day In Lines on the Land Scott Herring contends that these writers and artists were canon makers recognizing the national parks as naturally occurring works of art and conferring upon them a cultural prestige the parks were the splendid focal points of the American landscape These early canonizing works are homages to a vast untouched wilderness This praise would gradually give way however to a distinctly American anger what Herring calls outraged idealism Later generations were faced with a changing culture that had imperfectly absorbed and even misrepresented the national park aesthetic The postwar park was overrun by cars and tourists who could not possibly match the pioneering naturalists profound commitment to and appreciation for their surroundings The collective tone of the parks chroniclers as a result evolved from celebration of awesome beauty to indignation over the perceived corruption of the parks both as an ideal and as actual physical settings Herring traces this shift through the work of a wide spectrum of creative minds from early figures such as Muir and Thomas Moran to later observers of the parks such as Ansel Adams Sylvia Plath Edward Abbey and Rick Bass The text is punctuated by autobiographical interchapters in which Herring relates the book s chief themes to his own experiences in Yellowstone National Park Under the Sign of Nature Explorations in Ecocriticism English Class XII Model Paper Chapter wise Question Answer With Marking Scheme- SBPD Publications SBPD Editorial Board, 2021-11-19 Content Section A 1 Grammar Active Passive Voice Direct Indirect Narration Tenses Clauses Synthesis Transformation Modals Prepositions Word Formation Subject verb Agreement Phrasal Verbs Meaning and Their Uses Idioms Translation Precis writing Unseen Passages or Comprehension Letters Applications Essays Section B 1 Poetry Short Summary Short Question Answers True False Essayists and their Prescribed Essays Section C 1 Prose Short Summary Short Question Answers True False Essayists and their Prescribed Essays Section D 1 Story of English Short Question Answers Books and Authors Model Set I IV Board Examination Paper *Hard Words* S. Joel Warrican, 2005 Throughout the Caribbean there is concern about the standard of writing among students This concern is verbalized in numerous reports from the Caribbean Examination Council CXC on students performance in English in their certification examinations Hard Words offers solutions to this problem by exploring the effects of English based Creole on students writing and by promoting reading as powerful tool that can assist students and teachers in the classroom Existing studies of adolescents leisure reading rarely afford the opportunity to observe them engaging with reading material over an extended period In Hard Words the author uses observations and in depth interviews
