1000 Mythological Characters Briefly Described Edward S. Ellis, John Flaxman, 2021-05-26 Illustrated Premium Edition Since the Greeks and Romans were not among those who received the divine story of creation they were forced to devise a theory to explain their own existence and account for the origin of all things The foundation of this theory lay in the marvelous phenomena of nature around them The growth of the mighty tree from the tiny seed the bursting bud and blossom the changing hues and the fragrance of flowers the alternation of day and night the flash of the rock rending lightning the rage of the tempest the flow of the rivers the towering mountains the lovely valleys dew rain the clouds and the ever shifting panorama on every hand the majestic sweep of the blazing worlds through space These finally became crystallized into a literature or mythology which has since been the inspiration alike of romancers and poets Published in 1895 1000 Mythological Characters Briefly Described is an alphabetical book containing various creatures people and gods from mythology

Bulfinch's Mythology Thomas Bulfinch, 2022-05-28 In *Bulfinch's Mythology* Thomas Bulfinch meticulously curates and retells the myths and legends from classical antiquity the Middle Ages and beyond in a style that is both accessible and engaging The work is divided into three distinct sections The Age of Fable The Age of Chivalry and Legends of Charlemagne which reflect the evolution of mythological narratives across cultures Bulfinch's prose is characterized by its clarity and elegance creating a bridge between the academic world of classical literature and the general readership making the complexities of these ancient tales palpable and enjoyable for all This compendium not only serves as an introduction to mythology but also situates these stories within the larger tapestry of human experience and cultural evolution Thomas Bulfinch an American writer and scholar has long been fascinated by the intersection of storytelling and the human condition His deep appreciation for mythology can be traced back to his education at Harvard where he was influenced by prominent scholars and the rich intellectual milieu of the time Bulfinch sought to demystify the often convoluted tales of yore making them relevant for his contemporary audience while also preserving their rich heritage *Bulfinch's Mythology* is a must read for anyone interested in the roots of Western literary tradition and the enduring power of myth Its rich narrative and erudite insights render it an invaluable resource for students lovers of literature and casual readers alike inviting them to explore the timeless themes and archetypes that continue to resonate through our cultural landscape
