1001 Steamy Nights Positively Despotic:

Positively Despotic Shara Azod,2013-12-18 With a fierceness and determination that inhabits most volunteers Rolanda swelled with pride as she followed her dreams of helping her fellow world citizens as she trekked across the globe to Afghanistan What awaited her instead was a mysterious sheik that looked and breathed as if he were ripped from pages of the erotic romances which were her guilty pleasure With her future on the line she began to spin one tale each night for one thousand and one nights in order to secure her freedom But what kind of freedom did he mean Biding her time Rolanda spun him the First Night s tale while subconsciously plotting her escape In the land of Frumos nothing is quite what it seems as was true with infamous brothers Valentin and Drago The Alexandrescu s were rumored to be brutal despots renowned for taking their land and whatever else pleased them by brutal force But what Kiana found as she investigated the mystery of these brothers was something beyond all comprehension

One Night With Pasqual Shara Azod,2013-06-17 Pasqual Chevalier had never found himself wanting for something that was unattainable As one of the many offspring from one of the most powerful and prestigious names in the south he was in a word entitled To money to women to whatever his heart wanted So why was it so hard to obtain the one thing he d wanted for the longest but never had the ability to admit out loud the heart of a women he s desired for years Too stubborn to open his mouth and say the words he finds himself in a precarious position after a wild night with an unnamed woman leaves his cousin Rayce hot and cold with him and asking Pasqual to look after a pregnant friend who happens to be one Rhonda MacDaniels the same woman Pasqual has been carrying a torch for Now he has to question himself as to why her taste touch and scent seem so familiar and why he has such a strong yearning to take the role of her unborn child s father
