First-Second Thessalonians Jeffrey A. D. Weima, 2014 **Biblical Theology of prayer in the New Testament** Francois P. Viljoen, Albert J. Coetsee, 2023-08-31 This publication deals with a biblical theology of prayer based on the New Testament It forms the second of a two volume publication on a biblical theology of prayer dealing with the concept of prayer in the Old and New Testament respectively This New Testament volume begins with an introduction on prayer and worship in early Jewish tradition followed by eleven chapters dealing with New Testament corpora It concludes with a final chapter synthesising the findings of the respective investigations of the Old and New Testament corpora to provide a summative theological perspective of the development of the concept of prayer through scripture Prayer forms a major and continuous theme throughout the biblical text Prayer was an integral part of the religious existence of God s people in both the Old and New Testament It underwent its greatest developments during after and as a result of the Exile and was deepened and transformed in the New Testament In both the Old and the New Testament God is the sole addressee of his people s prayer This conviction continued into the New Testament but was broadened with Trinitarian elements of worship adoration and intercession A biblical theological investigation is chosen as methodology Since all the biblical books form part of one canonical text the assumption is that the various theologies about prayer being displayed in these books can be synthesised into a developing meta theology about prayer As the Old and New Testament form part of the canonical text the results about prayer in the Old Testament can be brought into play with the results about prayer in the New Testament This eventually leads toward an overarching biblical theology of prayer

Ultimate Guide to Heaven and Hell E. Ray Clendenen, 2024-04-15 What happens after we die The Ultimate Guide to Heaven and Hell is a summary guide to the afterlife that seeks to provide answers based on biblical teaching Throughout readers will encounter questions like What is heaven and how can I be sure I will get there Is it different from the new heavens and the new earth Will my body be there or just my spirit soul What is hell and how can I be sure to avoid it CHAPTERS INCLUDE Is it Just Hype How Can I Know Geography of Heaven and Earth Heaven the Celestial Fire Heaven Avoiding the Fire Is Heaven Our Home The New Creation The Necessity and Power of Jesus s Resurrection How Can I Know Jesus Was Raised What Is a Person Intermediate State Old Testament Evidence Intermediate State New Testament Evidence What Do We Know about Hades Did Christ Descend to Hades Gehenna the Lake of Fire Tartarus and the Abyss Death and Dying Human mortality can be quite paralyzing to some people but the truth remains our individual bodily lives will one day come to an end What happens after The Bible has much to say in response to that question and ultimately provides hope on this topic as we look to Jesus the one who has conquered death

Biblical Greek Exegesis George H. Guthrie, J. Scott Duvall, 1998 This intermediate advanced text and workbook teaches syntax as well as exegesis by means of a modified inductive approach

Where Is the Promise of His Coming? David L. Mathewson, 2018-10-26 The New Testament contains numerous statements by Jesus and New Testament authors that seem to suggest that Jesus was coming back soon in their lifetime But two thousand years later here we still are How do we handle this apparent failed prophecy Did Jesus and his followers get it wrong Did they miscalculate the timing of Jesus return Or were Jesus and the authors of the New Testament anticipating something else The purpose of this book is to examine this issue by looking in detail at the New Testament texts that seem to promise that Christ is coming back right away It will provide a possible answer to these questions in light of the tension between the promised imminent return of Christ and its delay

Called into the Mission of God Roji T. George, 2020-11-03 In *Called into the Mission of God* Roji George argues that Paul s primary interest was neither doctrinal teaching nor the articulation of an anti imperial discourse Instead he contends

that amidst the many problems that faced the local Thessalonian community problems arising out of eschatological fears ethical difficulties in the community and persecution from outside groups Paul brought primarily a missional concern to impart ethical exhortation and eschatological teaching in a political language The book will be helpful to those theologians scholars teachers and students grappling with the message of Paul in his own time and in ours Called into the Mission of God represents an increasing commitment on the part of Fortress Press to support the wide dissemination of the best theological and biblical writing by the best scholars from the Global South Salvation Applied by the Spirit Robert A.

Peterson,2024-06-17 The doctrine of believers union with Christ has undergone a renaissance in recent years Evangelicals are rightly fascinated by this previously neglected doctrine a doctrine with wide ranging implications for the whole of Christian theology and the Christian life Drawing on his extensive teaching and research experience theologian Robert Peterson has written one of the most comprehensive theological treatments of union with Christ to date highlighting the Spirit s crucial role in uniting God to his people *New Testament Philology* Melton Bennett Winstead,2018-04-17 This work is dedicated to David Alan Black a New Testament scholar who has contributed to the love of the Koine Greek language as it pertains to New Testament studies in numerous ways as a professor author missionary and editor The goal of this book is to demonstrate for students the value of continued research in the Greek New Testament The essays demonstrate how research is currently being done utilizing such tools as grammatical studies discourse analysis textual criticism verbal aspect and other linguistic analyses The chapters include studies on exegesis verbal aspect prepositional compounds relevance theory and scripture memorization This book demonstrates the explanatory power of an in depth usage of New Testament Greek It is recommended for those who have had at least one year of Greek **San Pablo, el Espíritu y las Virtudes**

Nélida Naveros,2023-08-15 Poniendo a Pablo dentro del mundo de la epoca helenista judia y griega este libro examina su nuevo mensaje sobre la posicion preeminente del espiritu en su doctrina sobre las virtudes La pregunta central es como el concepto del espiritu se hace la fuente principal de todas las virtudes cristianas en la vida ordinaria de los judios y gentiles creyentes y como se refleja en sus cartas El libro examina las siete cartas indiscutibles de Pablo e ilustra la ensenanza fundamental del poder del espiritu en la adquisicion de las virtudes y la evitacion de los vicios De hecho se da un enfasis a las virtudes y vicios reflejadas en cada una de las siete cartas Tambien investiga como la vida de los creyentes en la comunidad cristiana fluye del Espiritu recibido de Dios El libro ofrece al lector un estudio completo del entendimiento del termino espiritu en las tradiciones helenista judias y griegas dando un enfoque a la manera como Pablo usa el lenguaje filosofico en su exhortacion etica un lenguaje que probablemente habria sido comun para muchos de sus oyentes gentiles creyentes con el fin de ofrecer un entendimiento persuasivo de su exhortacion a la vida virtuosa Identity and Moral Formation in 1

Thessalonians Kiwoon Lee,2024-01-19 The author examines Paul s first letter to the Thessalonians shedding light on his significant role in shaping the identity and ethos of the early Christian community in first century Thessalonica By delving

into Paul's formative discourse this book shows how Paul utilized the key concepts from the Hebrew Scriptures to substantiate God's redemptive plan for the gentiles. The author discerns echoes of holiness, sanctification, the fulfillment of the new covenant, and the Day of the Lord within Paul's writing. These notions serve as reminders to believers of their shared memory narrative and communal ethos as God's chosen people. In the midst of the Thessalonians' political and religious conflicts with their surrounding world, Paul guides them towards a self-recognition of their identity and cultivates a transformative daily ethos within their community. Furthermore, this book not only offers contemporary readers a deeper appreciation of their own distinctive identity as followers of Christ in today's socio-cultural context but it also invites them to actively engage with Paul's formative discourse.

Salvation Accomplished by the Son Robert A. Peterson, 2024-06-17 In this unique and insightful work, Robert Peterson insists that we look afresh at all that the Bible teaches about who our Savior is and what he has accomplished with the conviction that a careful examination of this teaching will lead us to adoration and worship. Peterson explains the saving work of Christ, both his deeds and the biblical pictures illustrating them, and thereby points to the magnitude of what Jesus did to save sinners. Offered here is a substantive, significant, and enduring treatise on a key Christian doctrine: the work of Christ.

They Who Endure to the End Everett Berry, 2020-07-30 Is it possible for a true believer in Christ to apostatize? If so, how? Also, how can professing believers know if they are truly born again? What assurance can they have that they will never renounce their faith? These questions have been asked for centuries as Christians have wrestled with what Scripture says about these matters. The search for answers has instilled strong disagreements among Christian traditions. In this book, we navigate the terrain of this debate by examining the pertinent biblical data, surveying the history of major views that have been advocated by various denominations, and offering a synthesis of all this material in the hopes that readers can see how Scripture assures believers of their security in Christ.

Holiness in the Letters of Paul J. Ayodeji Adewuya, 2016-10-21 Paul's understanding of holiness stems from the holiness of God as revealed in the Old Testament. Using varied terminology, Paul describes the holiness that should characterize the believers as the people of God. God expects moral integrity of his people because he has provided believers with his Holy Spirit to enable them to live exemplary, Christlike lives in this present world, though polluted, as they prepare for the world to come. Believers who like Paul anticipate the Parousia must not only desire but also pray that holiness becomes a reality in their lives, cognizant of the fact that holiness is a matter of practice, not merely a status that one attains upon justification. Thus, holiness is an imperative for the people of God.

The Work of Christ John S. Hammett, Charles L. Quarles, 2024-09-01 In *The Work of Christ*, John S. Hammett and Charles L. Quarles examine Christ's service for his people, especially his atoning work on the cross.

Galatians Reconsidered Neil Martin, 2022-10-20 What would the world look like if the Old Perspective on Paul was right about justification, the New Perspective was right about Judaism, and the Radical New Perspective was right to note ongoing differences between Jewish and Gentile converts? *Galatians Reconsidered* is a

compelling practical study of Paul the Apostle's writing that explores just that. Emphasising the central role played by regression in Paul's argument on justification, Neil Martin examines the dichotomy between faith and works and how the apostle envisaged the differences in how Jews and Gentiles should interact with the Law. By re-establishing Galatians in its original Jewish and pagan context, Martin exposes the problems faced by Galatian churches and shows how they still speak to modern churches today. His insight not only helps us better appreciate Paul's message but challenges us to put his wisdom into practice in our own church settings. Provocative and stimulating, Galatians Reconsidered is a robust new look at the question of justification. It will leave you with a thorough knowledge of the merits and failings of both the old and new perspectives on Paul as well as a broader understanding of the letter to the Galatians both in the context in which it was written and its continued relevance today.

The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church Michael J. Svigel, 2024-11-05
Dive into the classic eschatology of Irenaeus of Lyons with *The Fathers on the Future* as you unpack key truths, untangle misunderstandings, and get a deeper understanding of this balanced and biblically sound end times framework. Many today, with an interest in the end times, face a problem they have forgotten the past. Knowing the history of eschatology is key to understanding its importance, how we interpret our faith, and our outlook on God and humanity. So why do so many overlook it, and what can we do to correct this? *The Fathers on the Future* uses a thorough exegetical and theological analysis to defend the foundation and structure of the second-century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers. It makes a case for a contemporary Irenaean premillennial eschatology, arguing that it is a reliable framework for a biblically defensible, theologically balanced, and historically informed eschatology. *The Fathers on the Future* includes these key features: Restores historical perspective; Recovers the forgotten roots of early Christian eschatology, emphasizing the teachings of Irenaeus of Lyons and other church fathers; Biblically grounded framework; Offers a well-supported case for a biblically defensible premillennial eschatology, balancing theology and history; Clarifies and corrects. Clarifies complex aspects of early eschatology, strengthens key theological points, and corrects missteps; Fresh yet ancient approach; Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions. *The Fathers on the Future* begins with the belief that Irenaeus and other early church fathers represented a widespread and well-developed eschatology inherited from those who were close associates of the apostles. It then explores some of the features of that early eschatology, clarifying obscure points, strengthening some elements, and correcting a few missteps. By looking back to Irenaeus and the eschatological emphases of his age, this book

provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective **A**
Biblical Case for Women Pastors, Elders, and Deacons Seth M. Knorr, 2023-04-01 An argument for Women Pastors
Elders and Deacons based solely on the Bible and backed by historical evidence After discovering a textual variant in early
Greek manuscripts which were supported by early Greek scripture quotations from the early church fathers the author
realized this variant reading provides the important context which reverses how many are currently understanding Paul s
apparent prohibition of women teaching in the pastoral epistles The discovery of this variant completely changed the authors
thinking and prompted a thorough study of the topic Setting cultural arguments aside and relying solely on the text of
Scripture this book answers the critical question Do these passages prevent women from being pastors elders and or deacons
After an in depth study the author concluded that there is zero biblical evidence based on the original text of Scripture to
support prohibiting women from holding leadership positions of pastor elder or deacon in the church
