Climate Change A. Barrie Pittock, 2013-11-26 It is widely accepted in the scientific community that climate change is a reality and that changes are happening with increasing rapidity In this second edition leading climate researcher Barrie Pittock revisits the effects that global warming is having on our planet in light of ever evolving scientific research Presenting

all sides of the arguments about the science and possible remedies Pittock examines the latest analyses of climate change such as new and alarming observations regarding Arctic sea ice the recently published IPCC Fourth Assessment Report and the policies of the new Australian Government and how they affect the implementation of climate change initiatives New material focuses on massive investments in large scale renewables such as the kind being taken up in California as well as many smaller scale activities in individual homes and businesses which are being driven by both regulatory and market mechanisms The book includes extensive endnotes with links to ongoing and updated information as well as some new illustrations While the message is clear that climate change is here and in some areas might already be having disastrous effects there is still hope for the future and the ideas presented here will inspire people to take action Climate Change The Science Impacts and Solutions is an important reference for students in environmental or social sciences policy makers and people who are genuinely concerned about the future of our environment

Transcending Cultural Frontiers Norhayati Zakaria, Asmat-Nizam Abdul-Talib, Andrea Amelinckx, 2020-07-19 This book focuses on the cultural challenges often faced by international managers and global business operations In the last few decades the world has witnessed unprecedented economic turmoil volatility and uncertainty which has altered the political dynamics and sociocultural landscape around the globe and directly or indirectly affected international business activities Further new markets have opened up in every corner of the world Brazil Russia India and China collectively known as BRIC are strong emerging economic powers similar to the once captivated Asian Tigers such as Hong Kong Singapore South Korea and Taiwan which rose decades ago The emergence of these markets has heightened both the opportunities and challenges for national and international businesses Multinational firms are gradually expanding in the emerging markets and are expected to become giants in the foreseeable future As they expand they also need to assume increasing social responsibilities in a global context and it is important that the ways business is conducted are developed accordingly As such understanding the practices challenges and strategies that companies have developed is critical to global firm s success Against this background the book highlights the importance of understanding cultural elements when managing multicultural human behaviors in the workplace Based on conceptual and empirical work it pushes the frontiers of knowledge of this emerging field in international business setup and management and explores how globalization is changing the way in which multinational firms formulate their business strategies The editors of this text bring a wealth of expertise in this area as is evidenced by their choice of topics and the strength of the experts they have invited to contribute to the book The combined chapters provide both strategic guidance as well as a focus on operational concerns that may arise in international business including expatriation and human resource mobility The authors not only correctly identify the oncoming challenges but also present evidence regarding the likely solutions such as culture and innovation and global change management Overall this book will be a tremendous resource for scholars in the international business field but I believe the audience will be much wider The international team of editors and authors bring

a wide range of perspective as well as real world contextual knowledge that will be useful for scholars and practitioners who seek to leverage culture and human capital to advance international business and drive the global economy I applaud the editors for their vision and leadership in guiding us through one of the most challenging contemporary research areas and through one of the most pressing challenges of our day Dr Richard L Griffith Executive Director Institute for Cross Cultural Management Florida Institute of Technology Melbourne FL USA
