Modern Witchcraft with the Greek Gods Jason Mankey, Astrea Taylor, 2022-12-08 A Witch's 21 Century Guide to Making Magick with the Greek Gods The ancient Greek gods surround us even now in our modern world From Aphrodite to Zeus this book reveals the origins of more than sixty deities and other mythological figures including the Olympians Titans and Primordial Forces Explore how they've been worshipped across the centuries and how you can work with them in your own practice You'll meet the gods one by one exploring their history unique correspondences and personal insights from contributing authors who work with them magickally This book also provides rituals and spells to connect with each deity Draw down the moon with Selene cast a courage spell with Ares and reclaim lost parts of yourself with a ritual for

Persephone By inviting these divine beings into your practice you can cultivate a magickal life that satisfies your soul to its very core **Beyond Myth: The Creation Series, Volume One** Wallace R. Clausen, 2025-10-22 In Beyond Myth readers travel deep into Israel's ancient faith There Genesis is examined through a two panel three paired days framework Out of it emerges the surprising theme that humanity has been appointed rulers over the created order Three interpretive tools underscore this study Those tools and the two panel framework not only unlock the Genesis author's message but they make Beyond Myth an ideal read for collaborative study groups This book is unlike any on the market today From a college student seeking to understand Genesis to a parent of teens whose questions on science versus creation are befuddling or one who holds secret doubts about the veracity of Genesis with its myth-like claims in which a serpent speaks and fruit gives knowledge as well as eternal life this book will reassure readers' faith Importantly for those who wonder how Genesis 1:3 might address twenty-first century America Clausen transforms antiquity's message into a relevant theological critique Beyond Myth vaults readers into a dynamic new understanding of this ancient text one free from mythic falsehoods from science battering the Bible and from deception as the church slips deeper into fragmentation chaos and the despair of political darkness **Creatively Expanding the Premodern** Carole Levin, Marguerite A. Tassi, Christine

Stewart-Núñez, Julia Griffin, 2025-10-27 This book highlights the stories of women from premodern history and literature through models of adaptations retellings and criticism such as poems plays and essays Reviving these voices from the background widens the appeal and accessibility of scholarship in the humanities Creative composing processes draw research through the imagination and experience of the writer This act can help explore qualities of historical events and literary figures that are still relevant today The four authors of this book demonstrate these approaches through creative adaptations and responses to Biblical and Classical writings Greek mythological figures medieval narratives powerful historical women plays by Shakespeare and works by other early modern English writers What distinguishes this book from

other scholarship on the premodern is its collaborative and interdisciplinary foundation as well as its emphasis on literary and hybrid genres Offering interdisciplinary ways of reading thinking about and reconceiving literature and scholarship in a way that invites dialogue and further creative responses this volume provides humanities teachers with effective pedagogical tools to inspire deeper engagement and understanding in their students
