Clausen, 2025-10-22 In Beyond Myth readers travel deep into Israel's ancient faith There Genesis is examined through a two panel three paired days framework Out of it emerges the surprising theme that humanity has been appointed rulers over the created order Three interpretive tools underscore this study Those tools and the two panel framework not only unlock the Genesis author's message but they make Beyond Myth an ideal read for collaborative study groups This book is unlike any on the market today From a college student seeking to understand Genesis to a parent of teens whose questions on science versus creation are befuddling or one who holds secret doubts about the veracity of Genesis with its myth-like claims in which a serpent speaks and fruit gives knowledge as well as eternal life this book will reassure readers' faith Importantly for those who wonder how Genesis 1:3 might address twenty-first century America Clausen transforms antiquity's message into a relevant theological critique Beyond Myth vaults readers into a dynamic new understanding of this ancient text one free from mythic falsehoods from science battering the Bible and from deception as the church slips deeper into fragmentation chaos and the despair of political darkness **Creatively Expanding the Premodern** Carole Levin, Marguerite A.
