The Joy of Children's Literature Denise Johnson, 2023-12-18 This book provides in-depth coverage of children's literature with integrated reading methods in a concise, accessible format. Johnson emphasizes that reading, writing, discussing, and finding pleasure in children's books are essential tools in being able to recognize and recommend literature and being able to share the joy of children's literature with children themselves. This fully updated third edition includes up-to-date research, new book titles within each chapter, a greater focus on diversity and inclusion, and new sections on Activities for Professional Development and Print and Online Resources.

Conferring with Young Writers Kristin Ackerman, Jennifer McDonough, 2023-10-10 If you've ever sat down to confer with a child and felt at a loss for what to say or how to help move him or her forward as a writer, this book is for you. If you are a strong teacher of writing but are not seeing results from your students, this book is for you. Authors Kristin Ackerman and Jennifer McDonough have been teaching writing for several years and know that conferring can be a murky and messy process, perhaps the hardest component of all. Written from the lessons they've learned through hard-won classroom experience, their mistakes and challenges, *Conferring with Young Writers* is based on what Kristin and Jen call the three Fs: frequency, focus, and follow-up. They've created a classroom management system that offers routine and structure for giving the most effective feedback in a writing conference. This book will help writing teachers and students learn to break down and utilize the qualities that enable good writing: elaboration, voice, structure, conventions, and focus. The authors also

provide the knowledge and skills it takes to confer well which will help you improve as a writing teacher and give your students the confidence to think of themselves as writers **Write This Way from the Start** Kelly Boswell,2017-09-29 As teachers the beginning of each school year presents us with fresh starts and opportunities How will we build community and create a culture that values thinking learning and risk taking How can we create a safe environment where all learners feel welcome and valued As writing teachers it s of utmost importance that we launch our students into the world of writing in a way that engages them and helps to build their confidence In this book Kelly Boswell shares a variety of ways to kick start the school year and invite students to engage in meaningful purposeful and joyful writing experiences **Day by Day** Ruth Ayres,Stacey Shubitz,2010 This book is a collaborative not isolated approach to teaching writing The book is organized around six fundamental components of writing workshop Each component is broken down into ten day sections so you can explore the topic in depth The authors provide daily encouragement support practical strategies tips advice and everything you need to run an effective writing workshop book cover **Conferring in the Math Classroom** Gina Picha,2023-10-10 All students enter our math classrooms with ideas worthy of discussion Some of the most effective breakthroughs come from short intentional conversations between students and teacher yet planning for these moments can seem daunting In her innovative book Conferring in the Math Classroom A Practical Guidebook to Using 5 Minute Conferences to Grow Confident Mathematicians Gina Picha focuses on simple and transformative ways teachers can use math conferences short conversations between teachers and small groups of students at work to guide instruction assess understanding and build strong math thinkers Inside you will learn to Facilitate math conferences to listen to students identify and build on their strengths and encourage them to share their math thinking Build a positive math identity that will help nurture student centered math classrooms Ask exploratory questions to gain data driven insight into their math reasoning and plan the next steps for instruction Provide differentiated math instruction based on the individual or small group needs Drive engaging and interactive math talk in the classroom Picha includes teacher questioning guides If Then charts organized by grade level and math topic and note taking templates to help you get started with math conferring right away This practical and highly accessible approach can help students deepen their math understanding build confidence in their math abilities and connect learnings between math subjects **Reading with Meaning** Debbie Miller,2023-10-10 Ten years since her first edition author Debbie Miller returns with Reading with Meaning Second Edition Teaching Comprehension in the Primary Grades to share her new thinking about reading comprehension strategy instruction the gradual release of responsibility instructional model and planning for student engagement and independence Reading with Meaning Second Edition delves into strategy and how intentional teaching and guided practice can provide each child a full year of growth during their classroom year New in this edition are lesson planning documents for each chapter that include guiding questions learning targets and summative assessments as well as new book title recommendations and updated FAQs from the first edition Also included are

strategic lessons for inferring determining the importance in each text and synthesizing information Teachers can help students make their thinking visible through oral written artistic and dramatic responses and provide examples on how to connect what they read to their own lives In this book Miller reflects on her professional experiences and judgement along with current research in the field She provides a guide for any teacher hoping to build student relationships and develop lifelong independent learners *Hands Down, Speak Out* Kassia Omohundro Wedekind, Christy Hermann

Thompson, 2023-10-10 Math coach Kassia Omohundro Wedekind and literacy coach Christy Hermann Thompson have spent years comparing notes on how to build effective classroom communities across the content areas How they wondered can we lay the groundwork for classroom conversations that are less teacher directed and more conducive to student to student dialogue Their answers start with Hands Down Conversations an innovative discourse structure in which students ideas and voices take the lead while teachers focus on listening and facilitating In addition to classroom stories and examples Christy and Kassia provide 28 micro lessons designed to help K 5 students develop and exercise their speaking and listening muscles Inside Hands Down Speak Out you will learn how to Build talk communities that are accessible to everyone especially those whose voices are often traditionally left out of classroom discourse Analyze classroom conversations in order to plan next steps for developing the classroom talk community Plan and facilitate three types of conversations across literacy and math Christy and Kassia believe that the development of dialogue skills is worth the investment of time not only because it has the power to deepen our understanding of literacy and mathematics but also to deepen our understanding of ourselves our communities and the world *Grammar Matters* Lynne R. Dorfman, Diane Dougherty, 2014 If you are a teacher of grades K 6 you might be asking Should I teach grammar in my class on a daily basis How would I go about doing this And how can I teach grammar so it isn't boring to my kids In Grammar Matters Lynne Dorfman and Diane Dougherty answer these questions and more Using mentor texts as the cornerstone for how best to teach grammar this book provides teachers with almost everything they need to get kids not only engaged but excited about learning grammar Divided into four parts Narrative Writing Informational Writing Opinion Writing and Grammar Conversations this hand reference provides practical teaching tips assessment ideas grammar definitions and specific mentor texts to help students learn about parts of speech idioms usage issues and punctuation Through Your Turn Lessons conversations conferences and drafting revising and editing exercises students will learn not only specific concepts but also how to reflect upon and transfer what they have learned to other writing tasks no matter the subject The Treasure Chest of Children's Books provides an extensive list of both fiction and nonfiction books that fit naturally into grammar instruction Eight appendices provide even more resources including information on homophones using mentor texts to teach grammar and conventions checklists comma rules help for ELL students and a glossary of grammar terms Grammar Matters links instruction to the Common Core State Standards and features quality classroom tested tools that help teachers provide their students with the gifts of grammar and literacy *Better*
