The Lie Ken Ham, 2024-09-15 Christianity is Under Massive Attack How will you and the coming generations stand firm and uphold the truth of God's Word when the culture is forcefully demanding you believe lies In this updated edition of The Lie Unraveling the Myth of Evolution Millions of Years Ken Ham exposes how the acceptance of evolution and millions of years has eroded belief in God as Creator This issue is crucial to understanding modern worldview dilemmas including gender and sexuality abortion racism and the mass exodus from the church Why is the Christian church losing ground in its battle with the secular world Thousands of church leaders are nearing a dangerous precipice the denial of the Bible's full authority and accuracy from its very first verse Originally published in 1987 The Lie boldly predicted this trend This compelling book is a must read for all Christians providing crucial answers to common questions from unbelievers and offering advice for parents preparing their children to face a rebellious secular world Chapters include Crumbling Foundations The Evil Fruit of Evolutionary Thinking Evangelism in a Pagan World Wake Up Shepherds Creation Flood and Coming Fire The Lie is more than just a book it is a call to action inviting the body of Christ to stand firm in their Christian faith reject the lie of evolution and uphold the truth of God's Word from the very beginning As Romans 1:20-23 NKJV warns those who reject God's truth are without excuse and their hearts are darkened Will you stand firm and uphold the truth of God's Word

Controversy of the Ages Theodore Cabal, Peter Rasor, II, 2018-08-08 Controversy of the Ages carefully analyzes the debate by giving it perspective Rather than offering arguments for or against a particular viewpoint on the age of the earth the authors take a step back in order to put the debate in historical and theological context The authors of this book demonstrate from the history of theology and science controversy that believers are entitled to differ over this issue while still taking a stand against theistic evolution But by carefully and constructively breaking down the controversy bit by bit they show why the age issue is the wrong place to draw a line in the sand

Storytelling the Bible at the Creation Museum, Ark Encounter, and Museum of the Bible Paul Thomas, 2020-04-16 Paul Thomas chronicles a multi level reception study of the Bible at both the Creation Museum and the Ark Encounter in Kentucky USA Thomas explores the commercial presentation of biblical narratives and the reception of those narratives by the patrons of each attraction focusing upon three topics what do young Creationists believe how they interpret their beliefs from the Bible and what is the user experience at the museums The volume begins by explaining how Answers in Genesis AiG use Bible passages to support young Earth creationist arguments allowing for the chance to consider the Bible via physical means Thomas then examines how the Creation Museum and the Ark Encounter visitors receive the Bible as presented by AiG and how this presentation informs visitors understanding of the text exploring concepts such as the most prominent displays of the two attractions the larger context of museums and theme parks and the case studies of the Methuselah display and The Noah Interview He concludes with the summary of the user experience generated by the attractions analyzing the degree to which patrons accept

Four Views on Creation, Evolution, and Intelligent Design Zondervan, 2017-11-21 Evolution or the broader topic of origins has enormous relevance to how we understand the Christian faith and how we interpret Scripture Four Views on Creation Evolution and Intelligent Design presents the current state of the conversation about origins among evangelicals representing four key positions Young Earth Creationism Ken Ham Answers in Genesis Old Earth Progressive Creationism Hugh Ross Reasons to Believe Evolutionary Creation Deborah B Haarsma BioLogos Intelligent Design Stephen C Meyer The Discovery Institute The contributors offer their best defense of their position addressing questions such as What is your position on origins understood broadly to include the physical universe life and human beings in particular What do you take to be the most persuasive arguments in defense of your position How do you demarcate and correlate evidence about origins from current science and from divine revelation What hinges on answering these questions correctly This book allows each

contributor to not only present the case for his or her view but also to critique and respond to the critiques of the other contributors allowing you to compare their beliefs in an open forum setting to see where they overlap and where they differ

The Gospel of Climate Skepticism Robin Globus Veldman, 2019-10-22 Why are white evangelicals the most skeptical major religious group in America regarding climate change Previous scholarship has pointed to cognitive factors such as conservative politics anti science attitudes aversion to big government and theology Drawing on qualitative fieldwork *The Gospel of Climate Skepticism* reveals the extent to which climate skepticism and anti environmentalism have in fact become embedded in the social world of many conservative evangelicals Rejecting the common assumption that evangelicals skepticism is simply a side effect of political or theological conservatism the book further shows that between 2006 and 2015 leaders and pundits associated with the Christian Right widely promoted skepticism as the biblical position on climate change *The Gospel of Climate Skepticism* offers a compelling portrait of how during a critical period of recent history political and religious interests intersected to prevent evangelicals from offering a unified voice in support of legislative action to address climate change
