Complete Workbook Space Opera:

Complete Critical Assembly David Langford, 2002-10-01 This new collection of essays commissioned from a range of scholars across the world takes as its theme the reception of Rome's greatest poet in a time of profound cultural change. Amid the rise of Christianity the changing status of the city of Rome and the emergence of new governing classes Vergil remained a bedrock of Roman education and identity. This volume considers the different ways in which Vergil was read, understood and appropriated by poets, commentators, Church fathers, orators and historians. The introduction outlines the cultural and historical contexts. Twelve chapters dedicated to individual writers or genres and the contributors make use of a wide range of approaches from contemporary reception theory. An epilogue concludes the volume. *A Bid to Rule: A Royal Court Space Opera Thriller* Novae Caelum, 2023-08-14 While this book happens 23 years before the main events of this series it contains characters, events and context needed to fully enjoy the rest of the series. This is the preferred reading order but it can also be read any time before, during or right after books 1 and 2. **THE RULER IS DEAD LONG LIVE THE RULER** Homaj Rhialden has lived his whole life knowing his older sibling, not himself, will rule his interstellar kingdom and as a court rake, he's perfectly okay with that. But when his parents are assassinated and the Heir goes missing, Homaj is suddenly thrust into power. All evidence points to an inside job, but who among his father's trusted advisors are his enemies? Determined to track down his parents' killers and prove himself in an increasingly hostile court, Homaj hatches a plan with his servant, cousin Iata, to use their shapeshifting abilities to switch places while Iata impersonates him and rules the kingdom as a willing target. Homaj searches for the Heir in the capital city. But in a kingdom ruled by shapeshifters, anyone can be anyone, and not even your own identity is safe. When lies run deep enough to shatter a kingdom and family is hardly friendly, can Homaj protect both his kingdom and his identity from crumbling around him? *A Bid to Rule* is a fast-paced royal thriller with a genderfluid lead and glittering court intrigue. This book was first published as *The Seritarchus* in serial form. This LGBT science fiction thriller in space is perfect for fans of Suzanne Collins, Kiera Cass, Rebecca Rode, Alexandra Rowland, Marie Liu, Lindsay Buroker, Brandon Sanderson, Ann Leckie, Everina Maxwell, Emily Skrutskie, Becky Chambers, Jessie Mihalik, Arkady Martine, Yoon Ha Lee. *The New Mutants* Ramzi Fawaz, 2016-01-22 2017 The Association for the Studies of the Present Book Prize Finalist, Mention 2017 Lora Romero First Book Award Presented by the American Studies Association, Winner of the 2012 CLAGS Fellowship Award for Best First Book Project in LGBT Studies. How fantasy meets reality as popular culture evolves and ignites postwar gender, sexual and race revolutions. In 1964, noted literary critic Leslie Fiedler described American youth as new mutants, social rebels severing their attachments to American culture to remake themselves in their own image. 1960s comic book creators, anticipating Fiedler, began to morph American superheroes from icons of nationalism and white masculinity into actual mutant outcasts defined by their genetic difference from ordinary humanity. These powerful misfits and freaks soon came to embody the social and political aspirations of America's most marginalized groups, including women.

racial and sexual minorities and the working classes In *The New Mutants* Ramzi Fawaz draws upon queer theory to tell the story of these monstrous fantasy figures and how they grapple with radical politics from Civil Rights and The New Left to Women's and Gay Liberation Movements Through a series of comic book case studies including *The Justice League of America* *The Fantastic Four* *The X Men* and *The New Mutants* alongside late 20th century fan writing cultural criticism and political documents Fawaz reveals how the American superhero modeled new forms of social belonging that counterculture youth would embrace in the 1960s and after *The New Mutants* provides the first full length study to consider the relationship between comic book fantasy and radical politics in the modern United States **White as Frost** Anthea Sharp, 2021-05-04

Book 1 in the complete trilogy from USA Today bestselling author Anthea Sharp a fantasy weaving elements of Snow White Rose Red with romance magic and dangerous secrets that will destroy a kingdom Two sisters One enchanted forest And a hidden destiny that could doom them both Swept away to the castle beside the Darkwood Rose Valrois finds herself in a world full of secrets and forbidden magic There she meets her new stepsister the enigmatic Princess Neeve who will either become her best friend or her worst enemy When Rose follows her stepsister into the enchanted shadows beneath the trees she is beset by dangerous creatures and rescued by Thorne the Dark Elf guardian of the forest who binds her to the Darkwood and forbids her to speak of its mysteries Yet despite the danger surrounding her Rose continues to risk everything in her quest for answers until the day she steals into the depths of the forest and discovers the most perilous secret of all
