Mythology for Storytellers Howard J Sherman, 2014-12-18 Illustrated in full color throughout this delightful collection puts the riches of world mythology at the fingertips of students and storytellers alike It is a treasury of favorite and little known tales from Africa Asia Europe the Americas Australia and Oceania gracefully retold and accompanied by fascinating detailed information on their historic and cultural backgrounds The introduction provides an informative overview of mythology its purpose in world cultures and myth in contemporary society and popular culture Mythic themes are defined and the often misunderstood difference between myth and legend explained Following this the main sections of the book are arranged thematically covering The Creation Death and Rebirth Myths of Origins Myths of the Gods and Myths of Heroes Each section begins by comparing its theme cross culturally explaining similarities and differences in the mythic narratives Myths from diverse cultures are then presented introduced and retold in a highly readable fashion A bibliography follows each retelling so readers can find more information on the culture myth and deities Character geographical and general indexes round out this volume and a master bibliography facilitates research For students storytellers or anyone interested in the wealth of world mythology

Mythology Stories and Themes from Around the World provides answers to common research questions sources for myths and stories that will delight inform and captivate

The Ring of Truth and Other Myths of Sex and Jewelry Wendy Doniger, 2017 In *The Ring of Truth* Wendy Doniger expertly unfolds the cultural and historical significance of rings and other kinds of circular jewelry through timeless stories taken from mythology religious traditions and literature Each chapter like a separate charm on a charm bracelet considers a different constellation of stories linked by a common cluster of meanings the mutual imitation of real and fake legal and illegal marital and extra marital jewelry the circular form of rings and bracelets miming the circle of eternity which persists in the face of human ephemera

The Implied Spider Wendy Doniger, 2011 Wendy Doniger's foundational study is both modern in its engagement with a diverse range of religions and refreshingly classic in its transhistorical cross cultural approach By responsibly analyzing patterns and themes across context Doniger reinvigorates the comparative reading of religion tapping into a wealth of narrative traditions from the instructive tales of Judaism and Christianity to the moral lessons of the Bhagavad Gita She extracts political meaning from a variety of texts while respecting

the original ideas of each A new preface confronts the difficulty of contextualizing the comparison of religions as well as controversies over choosing subjects and positioning arguments and the text itself is expanded and updated throughout
