An Unfinished Life Robert Dallek, 2003 *An Unfinished Life* is the first authoritative single volume life of John F Kennedy to be written in nearly four decades Drawing upon firsthand sources freshly unearthed documents and never before opened archives prizewinning historian Robert Dallek reveals more than we ever knew about Jack Kennedy forever changing the way we think about his life his presidency and his legacy In a tale that stretches back to Ireland *An Unfinished Life* describes the birth of the Kennedy dynasty the complexity of Jack's early years and the mixture of adulation and resentment that tangled his relationships with his mother Rose and his father Joseph Forced into the shadow of his older brother Joe Jack struggled to find a place for himself until World War II when he became a national hero and launched his career Dallek reveals for the first time the full story of Kennedy's wartime actions including the machinations that got him into the war despite severe disabilities and the true details of how Joe was killed opening the door to Jack's ascendancy Here is the gripping story of Jack's first political campaigns and his transformation from an awkward speaker to a brilliant politician with irresistible charm *An Unfinished Life* explores Jack's work as a senator from Massachusetts carries us through the fiercely contested 1960 campaign against Nixon and takes us on to the White House itself We learn for the first time how and why Bobby was chosen to serve as attorney general how JFK selected Lyndon Johnson to be vice president and how they and the rest of Kennedy's team Bundy McNamara Schlesinger Sorensen Rusk and others faced the Bay of Pigs threats against civil rights activists in the South the conflict in Laos the Cuban missile crisis the struggle for a test ban treaty and the assassination of Diem Dallek reveals fascinating new details about each of these challenges and many more and gives us a picture of Kennedy as a man very much in command of his times able soon after arriving in the Oval Office to wage a secret war against his own generals when they advocated first use of atomic bombs in situations Kennedy felt certain would lead to an all out nuclear war *An Unfinished Life* also discloses for the very first time that Kennedy was far sicker than we ever knew While laboring to present an image of robust good health Kennedy was secretly in and out of hospitals throughout his life so ill that he was administered last rites on several different occasions Kennedy's ever worsening health left him propped up by a secret combination of medications throughout his presidency while behind closed doors he required assistance for even such basic acts as climbing stairs The revelations about Kennedy's health throughout this biography force a complete reevaluation of Kennedy's reputation and provide a fuller look inside his life and his motivations than has ever before been possible Robert Dallek has created a vivid portrait of a man who because he knew how close he was to death lived as much as he could sometimes hurting others in the process We meet a young Jackie follow their courtship and watch their marriage in public and private Dallek explores Kennedy's many infidelities revealing some for the first time ever *An Unfinished Life* also gives us a brilliantly detailed portrait of the deep bond between Jack and Bobby and of their enduringly complicated relationship with their father Never shying away from Kennedy's weaknesses Dallek also brilliantly explores his strengths The result is a full

portrait of a bold brave human Kennedy once again a hero An Unfinished Life is the book Americans have been waiting forty years to read Now at long last we have the definitive biography of Jack Kennedy Book jacket **John F. Kennedy** Jason K. Duncan,2013-11-12 Half a century after his assassination John F Kennedy continues to evoke widespread fascination looming large in America s historical memory Popular portrayals often show Kennedy as a mythic heroic figure but these depictions can obscure the details of the president s actual achievements and challenges Despite the short length of his time in office during his presidency Kennedy dealt with many of the issues that would come to define the 1960s including the burgeoning Cold War and the growing Civil Rights movement In John F Kennedy The Spirit of Cold War Liberalism Jason K Duncan explains Kennedy s significance as a political figure of the 20th century in U S and world history Duncan contextualizes Kennedy s political career through his personal life and addresses the legacy the president left behind In a concise narrative supplemented by primary documents including presidential speeches and critical reviews from the left and right Duncan builds a biography that elucidates the impact of this iconic president and the history of the 1960s **John F. Kennedy** Alan Brinkley,2012-05-08 The young president who brought vigor and glamour to the White House while he confronted cold war crises abroad and calls for social change at home John Fitzgerald Kennedy was a new kind of president He redefined how Americans came to see the nation s chief executive He was forty three when he was inaugurated in 1961 the youngest man ever elected to the office and he personified what he called the New Frontier as the United States entered the 1960s But as Alan Brinkley shows in this incisive and lively assessment the reality of Kennedy s achievements was much more complex than the legend His brief presidency encountered significant failures among them the Bay of Pigs fiasco which cast its shadow on nearly every national security decision that followed But Kennedy also had successes among them the Cuban Missile Crisis and his belated but powerful stand against segregation Kennedy seemed to live on a knife s edge moving from one crisis to another Cuba Laos Berlin Vietnam Mississippi Georgia and Alabama His controversial public life mirrored his hidden private life He took risks that would seem reckless and even foolhardy when they emerged from secrecy years later Kennedy s life and his violent and sudden death reshaped our view of the presidency Brinkley gives us a full picture of the man his times and his enduring legacy **The New York Times Index** ,2009 *John F. Kennedy* Robert Dallek,2011-01-04 One of America s leading biographers offers a compact insightful biography of John F Kennedy on the 50th anniversary of his inauguration *Ohio Valley History* ,2004 [Book Review Index Cumulation](#) Dana Ferguson,2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year

Sounding the Trumpet Richard J. Tofel, 2005-07-25 One leading contemporary observer called it the finest American political document in more than forty years Another said it was the best expression of the American spirit since Woodrow Wilson and perhaps since Emerson Approaching a half century after its delivery historians agree that there is at least one way in which John F Kennedy ranks with Jefferson Lincoln and Franklin Roosevelt in the quality of his inaugural address In *Sounding the Trumpet* Richard Tofel tells the full story of this mythic moment in American history He draws on original research materials in the Kennedy Library and elsewhere around the country and unlike earlier treatments of the subject on exclusive conversations with Theodore Sorensen Kennedy's aide and chief speechwriter *Sounding the Trumpet* thus reveals many unknown details about this landmark speech Why JFK's famous handwritten draft of the speech is not a draft at all What happened to the speech's first draft How Kennedy rejected a last minute path breaking addition about civil rights How extensive portions of the speech came from a draft submitted by Adlai Stevenson How John Kenneth Galbraith tried to supplant Sorensen as Kennedy's draftsman Precisely how much of the speech Kennedy wrote himself and how much came originally from a draft by Sorensen Mr Tofel sets the political scene for Kennedy's inaugural address tells the story of the inaugural day in detail and follows closely the writing of the speech its delivery and its reception then and later He plumbs its many sources from Shakespeare to the Old and New Testaments from a key sentence crafted by John Kenneth Galbraith to an important change suggested by Walter Lippmann and notes the influence on the speech of authors from Maxwell Taylor to Walt Rostow to Strunk and White The context of the address representing not only the transition from America's oldest president to its youngest elected leader but also Kennedy's desire to respond to Nikita Khrushchev's push for wars *The Effective Presidency* Erwin C. Hargrove, 2008 Essential reading to understand modern American history Hargrove provides a genuinely fresh way to measure these presidents Stuart E Eizenstat *Milestone Documents in African American History: 1901-1964* Paul Finkelman, 2010 The four volume set covers more than 130 iconic primary source documents from the Revolutionary era to the present day Each entry offers the full text of the document in question as well as an in depth analytical essay that places the document in its historical context Among the documents included in the set are Revolutionary era standards such as Patrick Henry's Liberty or Death speech the Declaration of Independence and the Constitution Important presidential sources include Thomas Jefferson's first inaugural address Abraham Lincoln's Gettysburg Address Franklin Roosevelt's speech following the attack on Pearl Harbor John F Kennedy's 1963 address on integration and George W Bush's address on September 11 2001 Influential decisions of the Supreme Court are also included from Marbury v Madison to Brown v Board of Education to Bush v Gore Critical documents related to minority rights are also present Andrew Jackson's message On Indian Removal the Seneca Falls Declaration Martin Luther King Jr's I Have a Dream Speech and the Equal Rights Amendment Publisher's website [The Publishers Weekly](#), 1882 [The Brief Handbook](#) Laurie G.
