Technical Manual United States. War Department,1970 **Neurological and Sensory Disease** United States. Public Health Service. Audiovisual Facility,1966 *The Journal of Anatomy and Physiology* ,1869 *Patriots Twice* Stephen M. Hood,2020-07-21 A timely look at the roles played by ex Confederates after the war in politics academia the military industry and more Midwest Book Review The long and bloody American Civil War claimed the lives of more than 700 000 men When it ended former opponents worked to rebuild their reunified nation and move into the future together Many people will find that surprising especially in an era witnessing the destruction or removal of Confederate monuments and the desecration of Confederate cemeteries In this unique and timely book award winning author Stephen M Hood identifies more than three hundred former Confederate soldiers sailors and government officials who reintegrated into American society and attained positions of authority and influence in the federal government the United States military academia science commerce and industry Their contributions had a long lasting and positive influence on the country we have today For example ten postwar presidents appointed former Confederates as Supreme Court justices secretaries of the U S Navy attorneys general and a secretary of the interior Dozens of former Southern soldiers were named U S ambassadors and consuls and eight were appointed generals who commanded troops during the Spanish American War Former Confederates were elected mayors of such unlikely cities as Los Angeles Minneapolis and Santa Fe and served as governors of multiple non Confederate states and territories Ex Southern soldiers became presidents of professional societies including the American Bar Association and the American Medical Association to name only a few Others paved the way in science and engineering by leading the American Society of Civil Engineers the American Chemical Society the American Association for the Advancement of Science and the Geological Society of America One former Confederate co founded the environmental preservation group Sierra Club and another was president of the Society for Classical Studies Former soldiers in gray founded or co founded many colleges and universities some exclusively for women and newly freed African Americans Other former Rebels served as presidents of prominent institutions including the University of California Berkeley and taught

at universities outside the South including Harvard Yale the University of Wisconsin Madison Johns Hopkins and Amherst College Several others served on the governing boards of the United States Military Academy at West Point and the United States Naval Academy at Annapolis Every reader of Patriots Twice has benefited from the post Civil War reconciliation when former combatants put down their swords picked up their plowshares and accepted the invaluable contributions of these and thousands of other former Confederates The men who carried the bayonets found common cause and moved on together This is an important concept everyone should no must embrace to keep America united strong and free
