Sensational Devotion Jill Stevenson, 2013-04-15 In Sensational Devotion Jill Stevenson examines a range of evangelical performances including contemporary Passion plays biblical theme parks Holy Land re creations creationist museums and megachurches to understand how they serve their evangelical audiences while shaping larger cultural and national dialogues Such performative media support specific theologies and core beliefs by creating sensual live experiences for believers but the accessible familiar forms they take and the pop culture motifs they employ also attract nonbelievers willing to try out these genres even if only for curiosity s sake This familiarity not only helps these performances achieve their goals but it also enables them to contribute to public dialogue about the role of religious faith in America Stevenson shows how these genres are significant and influential cultural products that utilize sophisticated tactics in order to reach large audiences comprised of firm believers extreme skeptics and those in between Using historical research coupled with personal visits to these various venues the author not only critically examines these spaces and events within their specific religious cultural and national contexts but also places them within a longer devotional tradition in order to suggest how they cultivate religious belief by generating vivid sensual affectively oriented and individualized experiences [Answers for "The Hope That Is in You"](#) Charlie Liebert, 2015-06-23 Charlie Liebert was converted to Christ at age thirty five from hardcore Atheism Because he understands how Atheists think he effectively spreads the gospel through dialogue with unbelievers Seeing many fellow Christians paralyzed by fear of not being able to answer their questions he developed here direct simple Bible based answers to those hard questions In his first book Always Be Ready to Give an Answer he proposed a strategy to get to the gospel before answering those hard questions Now its time to answer them The four most common questions are 1 Where did Cain get his wife 2 What happens to a native in the jungle who never heard the gospel Does he go to hell 3 Why do bad things happen to good people and 4 Materialists statements like I only believe in what I can see Faith is for fools Everything is relative there are no absolutes These four questions are each answered in depth to give you firm confidence in your personal evangelism Over one hundred more questions are answered simply and directly The conflict between the Bibles Creation account and the Evolution taught in our schools is analyzed to increase your confidence Your faith will be bolstered by these answers and the analysis of origins You will be empowered in your witnessing and gain great confidence in your faith Yes there are answers to those hard questions Become a fearless evangelist with real answers for the hope that is in you

Righting America at the Creation Museum Susan L. Trollinger, William Vance Trollinger, 2016-05-15 In *Righting America at the Creation Museum* Susan L. Trollinger and William Vance Trollinger Jr take readers on a fascinating tour of the museum The Trollingers vividly describe and analyze its vast array of exhibits placards dioramas and videos from the Culture in Crisis Room where videos depict sinful characters watching pornography or considering abortion to the National Selection Room where placards argue that natural selection doesn t lead to evolution The book also traces the rise of creationism and the

history of fundamentalism in America **Always Be Ready to Give an Answer!** Charlie Liebert,2015-06-23 Christians are often asked hard questions about their faith Many believe they cant answer them As a result they dont witness for Christ They change the subject or avoid it entirely and never get to Christ Their personal evangelism is stumped What can they do Heres an effective answer Discover the questioners presuppositions by taking their spiritual temperature This gives you opportunity to witness to Gods life changing power without yet answering their question This book gives you the power to become the witness Christ has called you to be without fear *Biology* John Moore,2004-08 Teacher Manual for Biology A Search for Order in Complexity Foolish Faith Judah Etinger,2003-06-01 Everywhere one looks tolerance of all world views is championed all world views except those set forth in the Bible Judah Etinger has the singular ability to present truth in ways that speak to the hearts of both seekers and those who will say they are not seeking God or religion or truth In Foolish Faith the author sheds light on the various world religions philosophies and evidences His helpful readable style helps seekers see a clear path to the answer to it all Find the answers to the following questions within this book Which of the world s religions is the correct one Which is right creation or evolution Does the Bible support or contradict science Does the Bible contradict itself Is the Bible a reliable historical document Did Christ really rise from the dead The Gospel of Climate Skepticism Robin Globus Veldman,2019-10-22 Why are white evangelicals the most skeptical major religious group in America regarding climate change Previous scholarship has pointed to cognitive factors such as conservative politics anti science attitudes aversion to big government and theology Drawing on qualitative fieldwork The Gospel of Climate Skepticism reveals the extent to which climate skepticism and anti environmentalism have in fact become embedded in the social world of many conservative evangelicals Rejecting the common assumption that evangelicals skepticism is simply a side effect of political or theological conservatism the book further shows that between 2006 and 2015 leaders and pundits associated with the Christian Right widely promoted skepticism as the biblical position on climate change The Gospel of Climate Skepticism offers a compelling portrait of how during a critical period of recent history political and religious interests intersected to prevent evangelicals from offering a unified voice in support of legislative action to address climate change **Creationism and Anti-Creationism in the United States** Tom Kaden,2018-09-20 This book deals with professional creationist and anti creationist organizations in America and describes how the conflict between science and religion is the result of the interaction between these two groups It retraces their history from the 1960s onwards and identifies crucial turning points that led to new forms of creationism and anti creationism It explains their strategies labels and arguments as effects of this history and structure Taking a field theoretical approach the book avoids problems of prior creationism research making it possible to identify the mechanisms through which creationism generates new strategies arguments and media output The field model is used as an interpretive tool to make sense of some of the most important creationist and anti creationist publications and media statements **Humanity** John S. Hammett,Katie J.

McCoy,2023-09-01 Humanity by John Hammett and Katie McCoy is an urgent theological study of the doctrine of humanity The authors shed light on the philosophical cultural and spiritual influences that constantly challenge the dignity of human existence **Feeling the Future at Christian End-Time Performances** Jill Stevenson,2022-02 How Christian depictions of the End allow spectators to experience and feel their place within the future history of humankind **The Encyclopedia of Northern Kentucky** Paul A. Tenkotte,James C. Claypool,2014-10-17 The Encyclopedia of Northern Kentucky is the authoritative reference on the people places history and rich heritage of the Northern Kentucky region The encyclopedia defines an overlooked region of more than 450 000 residents and celebrates its contributions to agriculture art architecture commerce education entertainment literature medicine military science and sports Often referred to as one of the points of the Golden Triangle because of its proximity to Lexington and Louisville Northern Kentucky is made up of eleven counties along the Ohio River Boone Bracken Campbell Carroll Gallatin Grant Kenton Mason Owen Pendleton and Robertson With more than 2 000 entries 170 images and 13 maps this encyclopedia will help readers appreciate the region s unique history and culture as well as the role of Northern Kentucky in the larger history of the Commonwealth of Kentucky and the nation Describes the Golden Triangle of Kentucky an economically prosperous area with high employment investment and job creation rates Contains entries on institutions of higher learning including Northern Kentucky University Thomas More College and three community and technical colleges Details the historic cities of Covington Newport Bellevue Dayton and Ludlow and their renaissance along the shore of the Ohio River Illustrates the importance of the Cincinnati Northern Kentucky International Airport as well as major corporations such as Ashland Fidelity Investments Omnicare Toyota North America and United States Playing Card **Why Won't They Listen** Ken Ham,2002 One of Christendom s most astute observers of evangelism is convinced that compromise with evolutionary world views has virtually crippled preaching and teaching efforts especially in Western societies Why God? David True,2018-07-26 For more than 150 years a cold war has engulfed the world Two feuding factions contend not for military dominance but for cultural sovereignty Those caught in the middle are forced to choose sides It is only a matter of time until this cold war escalates into a violent conflict The victorious will have supreme rule over the world The defeated will be utterly eradicated Whose side will you choose Do you think this is just some fictitious war story Think again This is real life On one side is religion On the other is conventional science and logic These two sides fight for the right to define what is true Many people are forced every day to decide which one is right Who if any is correct What is the true beginning of the universe How did life really begin How have we as a people gotten to the current state that we are in What is in our future These questions and more are at the forefront of the conflict If the truth is ignored the consequences could be dire We cannot afford to just simply look the other way The line has been drawn and a side must be chosen The evidence is available for those that are willing to listen and understand Inside you will find what the real truth is a truth that can truly set you free **More High School Talksheets-Updated!** David Lynn,2010-12-21 Start

The Skeptical Inquirer ,2009 **Defending Evolution in the Classroom** Brian J. Alters,Sandra Alters,2001 A novel handbook that explains why so many secondary and college students reject evolution and are antagonistic toward its teaching **God Interrupts History** Lieven Boeve,2007-05-25 The role of Christian faith in contemporary culture has changed dramatically Both detraditionalization the interruption of the handing on of faith from one generation to the next and pluralization Christianity is no longer the dominant player on the religious field have caused a rupture between faith and its social context After an analysis of the contextual changes the author sketches the fundamental aspects of a theology of interruption This forms the basis for his further analysis of religious experience rituals and sacraments negative theology religious plurality and incarnation and apocalypticism *The Oxford Handbook of Christian Fundamentalism* ,2023-10-26 Christian fundamentalism is a significant global movement which originally took its name from The Fundamentals a series of booklets defending classic evangelical doctrines published in the 1910s The Oxford Handbook of Christian Fundamentalism traces the roots of fundamentalism from the late nineteenth century and explores the development of the movement up to the present day Since its inception fundamentalism has proved a highly contested category By some the label is recognised as a badge of honour by others a term of abuse This volume does not offer a simple definition of fundamentalism Rather it acknowledges its many interpretative and definitional complexities and allows multiple identities to jostle together under the fundamentalist label The boundaries are porous between fundamentalism and conservative evangelicalism so the Handbook includes analysis of some conservative expressions of Christianity which show fundamentalist characteristics even in groups which refuse to define themselves as fundamentalist The relationship of fundamentalism to Pentecostalism and charismatic renewal is also explored in detail Research led chapters cover significant historical developments key doctrines such as biblical inerrancy creationism and separatism and an extensive range of moral and cultural issues to which the contribution

of fundamentalism has been significant including popular music alcohol sport and family life Contributors also chart the evolution of the movement globally far beyond its North Atlantic origins Recognising the prominence of fundamentalism beyond the Church the Handbook explores its contribution to public debates concerning political influence education human genetics civil rights business global warming sexuality Israel and the Middle East the shaping of contemporary culture and much else Christian fundamentalism this Handbook ultimately shows is one of the most significant movements operating in today s world *Culture Wars* Roger Chapman,2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today *Creation Research Society Quarterly* Creation Research Society,2003
