Reservations that prove to be well founded when the host of the reality show winds up dead and Cam suddenly finds herself in the middle of a real life crime drama. Cam knows the police are on the wrong trail and when the producers make the decision to keep filming despite the murder it's up to her to ferret out the killer in their midst. Between a rap star with a reputation for violence, an aging soap opera actor with a hidden past, a Kardashian wanna be and the show's co host and not so grieving widow there are no shortage of people who would want the victim dead.
