Violet Revealed (Vampire Urban Fantasy Paranormal Romance)

Michelle Fox,2022-07-16 My target is a vampire with a name fit for a Greek god Zopyros Persopoulos and he has the good looks to match More importantly he runs Datagenex and it s his DNA database that will reveal why my blood kills vampires I just need to get him alone and hack Datagenex s servers without falling into that smoldering gaze of his that makes me feel like I m on fire Posing as a blood courtesan is the perfect cover right up until everything goes wrong A steamy novella in the Blood Courtesans world where vampires suck in all the right ways Complete story with HEA and no cliffhanger Enjoy

EXCERPT Pyros stalked over to me and I found myself backing up as he crowded my personal space My legs bumped the back of the couch and I plopped down So You thought being a blood courtesan would get you what you wanted He leaned down looming over me The spicy scent of his aftershave and a hint of cigar filled my nose Well through your own stupidity you re going to find out if that was a good plan or not I am My voice came out in a cartoon character squeak Like someone had throat punched Alvin right after he downed a tanker of helium I will take you as mine You will This was a whisper My vocal cords had drawn tight and I couldn t move air let alone give words any volume In every way His words throbbed with wickedness My body responded with a throb of its own like a nearby tribe answering a signal His voice just his voice had slipped through my skin cells to the vulnerable flesh beneath Ohgodohgodohgod This was a different kind of vampire attack Soft and sultry and sensuous A seduction that would suck the life right out of a girl if she wasn t careful
