Reader's Choice Jean Wilkinson, 1970 The Readers' Advisory Guide to Genre Fiction, Third Edition Neal Wyatt, Joyce G. Saricks, 2019-07-03 Everyone's favorite guide to fiction that's thrilling, mysterious, suspenseful, thought provoking, romantic and just plain fun is back and better than ever in this completely revamped and revised edition. A must for every reader's advisory desk, this resource is also a useful tool for collection development librarians and students in LIS programs. Inside RA experts Wyatt and Saricks cover genres such as Psychological Suspense, Horror, Science Fiction, Fantasy, Romance, Mystery, Literary and Historical Fiction and introduce the concepts of Adrenaline and Relationship Fiction. It includes everything advisors need to get up to speed on a genre including its appeal, characteristics, key authors, sure bets and trends, demonstrates how genres overlap and connect, plus suggestions for guiding readers among genres and tie genre fiction to the whole collection including nonfiction, audiobooks, graphic novels, film and TV, poetry and games. Both insightful and comprehensive, this matchless guidebook will help librarians become familiar with many different fiction genres, especially those they do not regularly read, and aid library staff in connecting readers to books they're sure to love. The Readers' Advisory Guide to Genre Fiction Joyce G. Saricks, 2009 This revised edition provides a way of understanding the vast universe of genre fiction in an easy-to-use format. Expert reader's advisor Joyce Saricks offers groundbreaking reconsideration of the connections among genres. **Horror International** Steven Jay Schneider, Tony Williams, 2005 A close look at horror films from around the world, drawing attention to neglected social, cultural and ideological aspects of the horror genre in international cinema.

The Readers' Advisory Guide to Horror Becky Siegel Spratford, 2012-04-09 Vampires, zombies, ghosts and ghouls: there are more things going bump in the night than ever. So how do you wend your way through all of them to find the ones that interest a particular reader? RA expert Spratford updates her advisory to include the latest in monsters and the macabre including Lists of recommended titles, authors and sub-genres, all cross-referenced for quick reference. Tips for effectively practicing horror RA with interview questions for gauging a reader's interests. An expanded resources section with an overview addressing the current state of horror lit and suggestions of how to dig deeper. As both an introductory guide for librarians just dipping their toes into the brackish water of scary fiction as well as a fount of new ideas for horror-aware reference staff, Spratford's book is infernally appropriate.
