From Sin to Amazing Grace Patrick S. Cheng, 2012-03 This book provides a unique synthesis of liberation queer and postcolonial theologians over the last few decades within a unified theological framework It will advance the inclusion of LGBT people within church and society This book is a useful resource for all people who struggle to make sense of the traditional Christian doctrines of sin and grace in the 21st century

Throughout the history of Christianity lesbian gay bisexual and transgender LGBT or queer people have been condemned as unrepentant sinners who are in dire need of God's saving grace. As a result of this condemnation LGBT people have been subjected to great spiritual emotional and physical abuse and violence. This issue has taken on a particular urgency in light of the horrific string of suicides over the last year of young LGBT people who were subjected to harassment and bullying by their classmates. Cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws. Rather, Cheng proposes a Christological model based upon the theologies of Irenaeus, Bonaventure and Barth in which sin and grace are defined in terms of what God has done for us in Jesus Christ. Publisher: The John MacArthur Handbook of Effective Biblical Leadership John MacArthur, 2019-04-02. An overseer must be above reproach. 1 Timothy 3:2. Scripture holds leaders and teachers of the Word to an incredibly high standard. And for good reason. Shepherding God's people into salvation and spiritual growth is an enormous responsibility. Even more now than ever, today's church needs leaders who faithfully proclaim the Word of God and equip believers to live it out. But great leaders need great role models. Bestselling author John MacArthur has compiled from the internationally renowned Shepherd's Conference the best ever messages for Christian leaders, now available in a single volume. Alongside MacArthur's candid instructive writings, you'll find the works of other proven ministry leaders including John Piper, Steven Lawson, R.C. Sproul, Ligon Duncan, and Al Mohler. God's Plan for the Ages, 2nd Edition David Reagan, 2020-08-02. What is the destiny of planet earth? What is going to be the fate of mankind? We don't have to guess. The Bible spells out God's plan for the ages in great detail through prophecies given thousands of years ago. In this book, Dr. David Reagan presents a panoramic survey of the fundamentals of Bible prophecy with a focus on the prophecies that relate to the end times. In the process, he reveals God's plan for the redemption of mankind and the restoration of the creation. The book is written in a down-to-earth, easy-to-understand style. Although all the chapters relate to the overall theme, each chapter is designed to stand alone. This makes it possible for you either to read the book straight through or to skip around reading only those chapters whose topics appeal to you. **The Incredible Catholic Mass** Martin Von Cochem, 1997.
