Anakim Gods Steve Preston,2014-10-30 Here s the issue People used to worship many gods sacrifice to these gods write about these gods and be ruled by many gods We have discarded the historical references as fantasy to make us more comfortable We believed that it helped secure our faith in a single creator God Some even believed God commanded us to ignore the other gods This book removes some of the mystery of why people would sacrifice their children to people who were considered gods It describes where they came from how they lived where they lived and how they died **The**

Reconciliation of Humanity in Christ Peter Y. Hong,2024-12-10 The Reconciliation of Humanity in Christ is essential reading for Christians who wish to lead and serve the globalized world This book is about theological engagement with globalization Although people are now living in a world in which a universal and inclusive society has emerged the church has remained powerless in uniting peoples nations and civilizations as one in Christ In order for the church to regain its credibility and confidence it must address three theological issues social justice religious pluralism and ethics and the missional method The rationale for this book is that the power of true religion becomes evident in the world when all Christians are engaging with globalization to reconcile humanity with God and with each other in preparation for the consummation of God s kingdom In response to the problems of globalization Christians can become agents of renewal for globalization by administering God s grace and peace for humanity This book will educate and equip the readers to engage with the issues of globalization in the public arena Readers will gain a biblical understanding of the church s role in fulfilling God s plan and purpose for humanity through globalization **My Kingdom is Not of This World** Joshua Immanuel,

Throughout history many Christians have embraced a vision of God s kingdom that encourages active participation in influencing and transforming the world around them Was this vision shared by the New Testament writers or the earliest Christians To find out we must delve into the Biblical narrative concerning the kingdom of God and its relationship to the present world My Kingdom is Not of This World develops a Biblical theology of God s kingdom and its cosmic struggle against a kingdom of darkness It explores the Bible s cosmology and the unfolding narrative of this conflict throughout the Bible Delving into this narrative reveals a recurring theme of sinful humanity collusion with cosmic darkness to build an earthly utopian kingdom instead of awaiting God s heavenly kingdom Understanding the Biblical vision of God s kingdom and the nature of this present world is of utmost importance It has profound implications for the Christian life and our interactions with the world
