Slave to Submission Kitty Jordan, As the whip continued to rain down upon their reddened flesh Clara s body trembled with a potent cocktail of fear and desire The sensation of her bottom smarting under Sebastian s expert ministrations was unlike anything she had ever experienced yet it left her wanting more With every strike her gaze was drawn towards Sophia who seemed to be lost in a world of ecstasy Kiss Sebastian commanded suddenly his voice firm yet tinged with a hint of arousal Clara locked eyes with Sophia her heart pounding against her ribcage as if attempting to break free Hesitantly she leaned in her lips brushing against Sophia s for the briefest moment before they both surrendered to the undeniable pull between them Their mouths melded together with a passion that belied Clara s inexperience tongues dancing and exploring with wild abandon It was an awakening for Clara the sensation of kissing another woman for the first time enflaming her senses like never before Clara never meant to fall for her lecturer but there was something about Sebastian s quiet authority that drew her in from the start One stolen glance turned into a dangerous invitation and soon she found herself surrendering to a man who demanded not just her body but her complete obedience Under his control Clara is pushed to the edge of pleasure and pain discovering desires she never knew existed Every command every whispered order sends her deeper into a world where restraint is a gift and surrender feels like freedom But Sebastian has plans that go beyond seduction When he takes their relationship to the next level Clara must decide just how far she s willing to go and what she s willing to lose for the man who makes her tremble with need Raw sensual and utterly addictive *Slave to Submission* is a journey into dominance desire and the exquisite power of surrender Give in Obey And let pleasure take control

Adele's Awakening Imelda Stark, 2021-01-01 Welcome to the superficially glamorous world of Adele an A list movie star whose career began by playing the beautiful girl stripped for the audience s titillation and then snuffed out in

slasher films She was just a teen then dominated by a bitch of a stage mother Once free of her Mom she develops her skills as an actress and takes on mainstream movies She soon requires a full time security chief a muscular and very handsome one who she attempts to seduce Though he rebuffs her the two become friends When her acting out to get his attention results in a near fatal encounter she is saved by the heroic guard Tearfully she confesses her plans to manipulate him and asks that he spank her in order to mend her foolish ways His expert domination of her opens up her untapped erotic potential all culminating in a torrid scene in which her Captain recruits a dominant couple to enact Adele's fantasy

Iconoclastic Departures Mary Wollstonecraft Shelley, 1997 *Iconoclastic Departures* contributes to the ongoing reevaluation of Mary Shelley as a professional author in her own right with a lifelong commitment to the development of her craft Many of its essays acknowledge the importance of her family to her work the steady theme of much earlier scholarship but for them the family has become an imperative socio psychological context within which to better understand her innovations in the many literary forms she worked with during her career journals letters travelogues biographies poems dramas tales and novels The book's essays also convey the conviction that even if Mary Shelley after Percy Shelley's death gradually retired from public life as his relatives wished she retained a resiliently resistant attitude toward many of the established orders of her day easily recovered by a careful look beyond her feelings to the productions of her literary imagination The Mary Shelley who inhabits this three part collection of portraits is a radical even if a quiet radical Part 1 focuses on various moments in her construction of her authorial identity parts 2 and 3 anatomize the nature of her resistance and her innovation She is presented as a writer who reappropriates authority for herself who redesigns genres who redefines gender who rewrites history and biography who revises her readers aesthetic expectations and who protests cultural imperialism at home and abroad It seems significant to the contributors to this volume that this new radical Mary Shelley was not invented by a pointed call for papers but emerged spontaneously from an open invitation to scholars working in various corners of the English speaking world

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *A Pleasure Slave* Manuel García, 2025-06-29 In *A Pleasure Slave* Manuel García strips gay eroticism to its raw essence no artifice no romance just men and desire These are stories of flesh and friction of rough hands and rougher truths where power isn't asked for but taken and the unspoken carries more weight than words ever could The title story is set in the concrete sprawl of a Southern European city where markets bustle and windows overlook lives on the move Inside behind the glass Paul rules his private kingdom with the quiet authority of a man who knows what he wants His lover caught between obedience and thrill learns that submission can take many forms and that wearing lace doesn't make you less of a man only more exposed He stood at the window robe half open watching the crowds below while the last traces of him dried on my skin I was sore still aching still hard The thong the orders the collar all of it lingered Even as I dressed like a man again the echo of his voice stayed on me like a scent That night when I slipped into the schoolgirl outfit and waited I wasn't afraid I was lit from within by a

hunger I didn't fully understand These are not stories of love They are stories of domination consent lust and fire the kind that flickers between two men when one dares to say Tonight you're mine

The Bible Says So! Edwin D. Freed, Jane F. Roberts, 2014-12-05 Is it possible to apply teachings from the Bible to our world today given the vast differences between biblical times and ours Biblical passages are often taken out of context and interpreted to support a particular viewpoint or justify a particular action The Bible Says So examines the origins of well known biblical stories from Adam and Eve the Flood and the Tower of Babel to the birth of Jesus his resurrection and the writings of St Paul The book argues that the meaning of these stories becomes apparent when we read between the lines using the techniques of biblical scholars The Bible Says So explores the original intentions of the biblical writers in their particular context and examines key biblical values The book does justice to the origins of the biblical text whilst also affirming the relevance of the Bible today

A House Built on Sand Noretta Koertge, 1998 Cultural critics say that science is politics by other means arguing that the results of scientific inquiry are profoundly shaped by the ideological agendas of powerful elites They base their claims on historical case studies purporting to show the systematic intrusion of sexist racist capitalist colonialist and or professional interests into the very content of science In this hard hitting collection of essays contributors offer crisp and detailed critiques of case studies offered by the cultural critics as evidence that scientific results tell us more about social context than they do about the natural world Pulling no punches they identify numerous crude factual blunders e.g. that Newton never performed any experiments and egregious errors of omission such as the attempt to explain the slow development of fluid dynamics solely in terms of gender bias Where there are positive aspects of a flawed account or something to be learned from it they do not hesitate to say so Their target is shoddy scholarship Comprising new essays by distinguished scholars of history philosophy and science this book raises a lively debate to a new level of seriousness

The Marquis de Sade and the Avant-Garde Alyce Mahon, 2020-05-26 This is the first book to examine the cultural history of Marquis de Sade's 1740-1814 philosophical ideas and their lasting influence on political and artistic debates An icon of free expression Sade lived through France's Reign of Terror and his writings offer both a pitiless mirror on humanity and a series of subversive metaphors that allow for the exploration of political sexual and psychological terror Generations of avant-garde writers and artists have responded to Sade's philosophy as a means of liberation and as a radical engagement with social politics and sexual desire writing fiction modelled on Sade's novels illustrating luxury editions of his works and translating his ideas into film photography and painting In *The Sadean Imagination* Alyce Mahon examines how Sade used images and texts as forms that could explore and dramatize the concept of terror on political physical and psychic levels and how avant-garde artists have continued to engage in a complex dialogue with his works Studying Sade's influence on art from the French Revolution through the twentieth century Mahon examines works ranging from Anne Desclos's *The Story of O* to images texts and films by Man Ray Pier Paolo Pasolini Guillaume Apollinaire Jean Jacques Lebel and Peter Brook She also discusses writings and responses to Sade by feminist theorists including Angela Carter and Judith Butler Throughout she shows how Sade's work challenged traditional artistic expectations and pushed the boundaries of the body and the body politic inspiring future artists writers and filmmakers to imagine and portray the unthinkable
