Facilitated Stretching, 4E Robert McAtee, 2013-11-18. *Facilitated Stretching Fourth Edition* examines techniques and guidelines for PNF stretches in a variety of settings. Stretches are demonstrated on a treatment table, mat on the floor, chair, cable pulley machine and weightlifting bench. Stretches are grouped according to each joint and the majority of the stretches include both a partner stretch version and a self stretch version. As in previous editions, specific routines are included for cycling, golf, running, swimming, throwing and racket sports and now ice hockey. It also includes general stretches for everyday use plus stretches for those with rusty hinges. These ready made stretching routines make it easy to incorporate facilitated stretching into a workout regimen and take the guesswork out of organizing a stretching routine to match the needs of a specific sport.

Principles of Neuromusculoskeletal Treatment and Management E-Book Nicola J. Petty, 2011-01-31. Fully updated and revised for a second edition, this textbook offers a comprehensive evidence based guide to the treatment and management of the neuromusculoskeletal system, providing vital support for both students and experienced therapists. As with the previous edition, the text deals with function and dysfunction of joints, muscles and nerves, offering treatment options in all cases. Underpinning theory and research is used extensively to explain the clinical use of each treatment option. This new edition has benefited from the author Nicola Petty becoming editor and enabling leading clinicians and academics to contribute to the text, which now offers a broader range of perspectives. Provides critical knowledge and theory that underpins clinical practice and decision making. Guides the reader through the various options available for patient management, drawing a solid evidence base. Emphasizes the importance of hands on skill as well as communication and clinical reasoning skills. Templated structure throughout creates an accessible tool for use in teaching.
