Anatomy Of The Law:

Anatomy of the Law Lon L. Fuller, 1971 Anatomy of the law Lon Luvois Fuller, 1976 *The Anatomy of the Law* Adolph Julius Rodenbeck, 2000 *Immortality and the Law* Ray D. Madoff, 2010-05-11 This book takes a riveting look at how the law responds to that distinctly American dream of immortality While American law provides virtually no protections for the interests we hold most dear our bodies and our reputations when it comes to property interests the American dead have greater control than anywhere else in the world Moreover these rights are growing daily From grave robbery to Elvis impersonators Madoff shows how the law of the dead has a direct impact on how we live Madoff examines how the rising power of the American dead enables the deceased to exert control over their wealth forever through grandiose schemes like dynasty trusts and perpetual private charitable foundations and to control their creative works and identities well into the unforeseeable future Madoff explores how the law of the dead can in essence extend the reach of life by granting virtual immortality to individuals All of this comes Madoff contends at real costs imposed on the living China's Foreign-Invested Limited Partnership Enterprise Stephan Kuntner, 2020-10-01 Since a reform in 2010 foreign investors can establish a Foreign Invested Limited Partnership Enterprise FILPE in China together with Chinese or foreign investors The FILPE can be combined with a domestic or foreign corporate general partner thus allowing for a structure that offers the flexibility and taxation conditions of a partnership while protecting its investors against personal liability like a company The book explores from the perspective of a foreign investor if the FILPE is an attractive investment vehicle by analysing whether it provides the characteristics that are internationally recognized as constituting a standard corporate form Among these characteristics the three that are most strongly interconnected and interdependent form the core of the analysis legal personality limited liability and transferable ownership interest These are analyzed in context of China's restrictive framework of foreign investment regulations and enterprise organization law **The Transatlantic Gothic Novel and the Law, 1790-1860** Bridget M. Marshall, 2016-02-17 Tracing the use of legal themes in the gothic novel Bridget M Marshall shows these devices reflect an outpouring of anxiety about the nature of justice On both sides of the Atlantic novelists like William Godwin Mary Shelley Charles Brockden Brown and Hannah Crafts question the foundations of the Anglo American justice system through their portrayals of criminal and judicial procedures and their use of found documents and legal forms as key plot devices As gothic villains from Walpole's Manfred to Godwin's Tyrrell to Stoker's Dracula manipulate the law and legal system to expand their power readers are confronted with a legal system that is not merely ineffective at stopping villains but actually enables them to inflict ever greater harm on their victims By invoking actual laws like the Black Act in England or the Fugitive Slave Act in America gothic novels connect the fantastic horrors that constitute their primary appeal with much more shocking examples of terror and injustice Finally the gothic novel's preoccupation with injustice is just one element of many that connects the genre to slave narratives and to the horrors of American slavery **Library of Congress Subject Headings**

Library of Congress,2007 **Cohen's Pathways of the Pulp Expert Consult - E-Book** Louis H. Berman,Kenneth M. Hargreaves,Steven R. Cohen,2010-05-10 The definitive endodontics reference Cohen s Pathways of the Pulp is known for its comprehensive coverage of leading edge information materials and techniques It examines all aspects of endodontic care from preparing the clinician and patient for endodontic treatment to the role the endodontist can play in the treatment of traumatic injuries and to the procedures used in the treatment of pediatric and older patients Not only does Hargreaves and Cohen s 10th edition add five chapters on hot new topics it also includes online access As an Expert Consult title Cohen s Pathways of the Pulp lets you search the entire contents of the book on your computer and includes five online chapters not available in the printed text plus videos a searchable image collection and more For evidence based endodontics research and treatment this is your one stop resource Law's Imagined Republic Steven Wilf,2010-04-19 Law s Imagined Republic shows how the American Revolution was marked by the rapid proliferation of law talk across the colonies This legal language was both elite and popular spanned different forms of expression from words to rituals and included simultaneously real and imagined law Since it was employed to mobilize resistance against England the proliferation of revolutionary legal language became intimately intertwined with politics Drawing on a wealth of material from criminal cases Steven Wilf reconstructs the intertextual ways Americans from the 1760s through the 1790s read law reading one case against another and often self consciously comparing transatlantic legal systems as they thought about how they might construct their own legal system in a new republic What transformed extraordinary tales of crime into a political forum How did different ways of reading or speaking about law shape our legal origins And ultimately how might excavating innovative approaches to law in this formative period which were constructed in the street as well as in the courtroom alter our usual understanding of contemporary American legal institutions Law s Imagined Republic tells the story of the untidy beginnings of American law
