An Unlikely Journey Surviving Celebrating And Coping With Your Life:

An Unexpected Journey J. Philip Wogaman, 2004-01-01 J Philip Wogaman offers candid reflections on his service as Senior Minister at Foundry United Methodist Church in Washington D C an unexpected journey that he began at the age of sixty following a full career as an ethics professor Wogaman chronicles the tasks he faced as a new pastor tasks with which every pastor deals effectively and faithfully preaching balancing pastoral and prophetic roles presenting the church to the public media dealing with prominent church members and addressing stewardship He also discusses the challenges of succeeding a long loved pastor who departed under a cloud the responsibilities of pastoring to a president and his efforts to balance the roles of a pastor against such a dramatic backdrop Identifying his own successes and mistakes Wogaman provides fresh insights on parish ministry that are sure to become guideposts for all pastors

The Two Lives of Sally Miller Carol Wilson,2007 In 1843 the Louisiana Supreme Court heard the case of a slave named Sally Miller who claimed to have been born a free white person in Germany This text explores this legal case and its reflection on broader questions about race society and law in the antebellum South

Intellectual Disabilities - E-Book Helen Atherton,Debbie Crickmore,2022-03-13 This leading textbook previously known as *Learning Disabilities* aims to further the practice of professionals and agencies who support people with intellectual disabilities It emphasizes the strengths rather than deficits of people with intellectual disabilities highlights the crucial role of family and friends and places individuals firmly at the heart of everything that impacts them *Intellectual Disabilities Toward Inclusion* centres on the concepts of respecting the personhood of people with intellectual disabilities and their rights to holistic health and to live their best lives Most of the 27 chapters are co authored by respected international authors and the content has been fully updated to reflect contemporary policy legislation and service configuration This unique text will challenge and reframe typically held views and provides an international focus that recognizes we have much to learn from the experiences and perspectives of other nations around the world Comprehensive overview of the field relevant to contemporary practice Content organized around three central themes Who am I Maximizing my health Living my best life Well written and accessible Artwork and perspectives of people with intellectual disabilities bring content to life Authors

from a range of professional backgrounds representing Australia Austria Germany Iceland Ireland Malta the Netherlands Norway South Africa Spain the UK and the United States Activities case studies diagrams and useful web links Additional material in an online resource complements reader activities found throughout the text

The Nuptial Deal Jaye Cee Whitehead,2011-11-01 Since the 1990s gay and lesbian civil rights organizations have increasingly focused on the right of same sex couples to marry which represents a major change from earlier activists rejection of the institution Centering on the everyday struggles feelings and thought of marriage equality activists The Nuptial Deal explores this shift and its connections to the transformation of the United States from a welfare state to a neo liberal one in which families carry the burden of facing social problems Governance and marriage are now firmly entwined Fighting for access to marriage means fighting for specific legal benefits which include everything from medical decision making and spousal immigration to lower insurance rates and taxes As Jaye Cee Whitehead makes plain debates over the definition and purpose of marriage indicate how thoroughly neo liberalism has pervaded American culture Indeed Whitehead concludes the federal government s resistance to same sex marriage stems not from traditional values but from fear of exposing marriage as a form of governance rather than a natural expression of human intimacy A fresh take on the terms and stakes of the debate over same sex marriage The Nuptial Deal is also a probing look at the difficult choices and compromises faced by activists

Survive and Thrive against the Odds Shellie Jones,2014 *Survive and Thrive against the Odds* is a compelling memoir of a determined sister who miraculously survived birth death and other traumas of life by keeping her faith In this book Jones shares a plethora of stories of her humble beginnings from a child's viewpoint to midlife Shellie Jones made many mistakes in her life and because of them she suffered the consequences Sometimes her faith was strong and other times it wavered Although she has experienced many trials and felt so much pain her life has entailed positive outcomes as a result of God's love and His amazing grace Her positive attitude faith gratitude knowing who she is and who she belongs to as a joint heir of Jesus Christ and her determination became the essential keys for living The heavenly Father orchestrated circumstances in her life according to His divine order and her scars became her stars In the latter part of this book readers will find how her perspectives changed as she has continued to live her life E mail surviveandthriveagainsttheodds@gmail.com Curriculum Histories in Place, in Person, in Practice Petra Hendry,Molly Quinn,Roland Mitchell,Jacqueline Bach,2023-03-10 This book situates the Curriculum Theory Project at Louisiana State University within a larger historical framework of curriculum work examining the practices which have sustained this type of curricular vitality over the lifetime of the field's existence Divided into seven parts the authors illuminate seven practices which have sustained the scholarship graduate programs mentorship

and networking that have been critical to maintaining a web of international relationships This exploration and coming together of intergenerational stories reveals a more complete and nuanced narrative of the development of curriculum theory over the last 60 years Crucially the project exemplifies the continuing resilience of curriculum theory despite ongoing neo liberal aspirations to reframe education as a business Reflecting upon the lived experiences and articulated memories of those who have participated in the project and analysis of documents collected over its 25 year history it considers curriculum history ies writ large through and from this lens of practice As such it opens up fresh insights for cultivating the vitality and vigor of curriculum theory more broadly on an international scale and with a view to future directions for the field It will appeal to both new and experienced scholars working across education foundations urban education philosophy of education and higher education and researchers from across history sociology anthropology ethnic studies and gender studies
