

The background of the title page is a painting of a forest path. A large, dark tree with thick branches dominates the left side of the frame. A path of light-colored ground, possibly snow or a dirt trail, leads from the bottom center towards the middle ground, where a small, dark figure of a person is visible in the distance. The overall color palette is dark, with deep blues, purples, and blacks, accented by the lighter tones of the path and some green foliage on the tree. The text is overlaid on this scene.

quoted in Greek Baur on Paul becomes truly available in English for the first time *Paul, the Apostle of Jesus Christ* Ferdinand Christian Baur, 2021-05-28 Baur's *Paul the Apostle of Jesus Christ* was the major study of Paul published in the nineteenth century and it is one of the greatest works of all time on Paul. It lays the basis for modern Pauline scholarship. The first part, *The Life and Activity of the Apostle Paul*, consists of a thoroughgoing deconstruction of the account of Paul found in the Acts of the Apostles. While the author of Acts passed on historical traditions about Paul, he greatly embellished them with stories about the miraculous feats of the apostles and constructed the entire account to show fictitious parallels between the apostles Peter and Paul. The second part, *The Epistles of the Apostle Paul*, is divided into three main sections: the authentic epistles of Paul (Galatians 1 and 2, Corinthians, Romans, the deutero-Pauline epistles Ephesians, Colossians, Philippians, Thessalonians, Philemon, and the Pastoral Epistles 1 and 2 Timothy, Titus). In the first two parts, Baur's historical critical skills are at their finest. The third part, *The Apostle's Theological Framework*, draws the elements of Pauline theology into a magnificent synthesis where the influence of Hegel and Schleiermacher is evident. The earlier English translation is no longer adequate. Our new translation presents a very readable text with critical annotations and translations of all the scriptural passages quoted in Greek Baur on Paul, truly becoming available in English for the first time. **THE "UNCONSCIOUS"**
