Violence and the Genesis of the Anatomical Image Rose Marie San Juan, 2022-11-28 Nothing excited early modern anatomists more than touching a beating heart In his 1543 treatise Andreas Vesalius boasts that he was able to feel life itself through the membranes of a heart belonging to a man who had just been executed a comment that appears near the woodcut of a person being dissected while still hanging from the gallows In this highly original book Rose Marie San Juan confronts the question of violence in the making of the early modern anatomical image Engaging the ways in which power operated in early modern anatomical images in Europe and to a lesser extent its colonies San Juan examines literal violence upon bodies in a range of civic religious pedagogical and exploratory contexts She then works through the question of how bodies were thought to be constituted systemic or piecemeal singular or collective and how gender determines this question of constitution In confronting the issue of violence in the making of the anatomical image San Juan explores not only how violence transformed the body into a powerful and troubling double but also how this kind of body permeated attempts to produce knowledge about the world at large Provocative and challenging this book will be of significant interest to scholars across fields in early modern studies including art history and visual culture science and medicine

Race and Racism in Modern East Asia , 2012-11-01 Race and Racism in

Modern East Asia juxtaposes Western racial constructions of East Asians with constructions of race and their outcomes in modern East Asia. It is the first endeavor to explicitly and coherently link constructions of race and racism in both regions. These constructions have not only played a decisive role in shaping the relations between the West and East Asia since the mid nineteenth century but also exert substantial influence on current relations and mutual images in both the East West nexus and East Asia. Written by some of the field's leading authorities, this groundbreaking 21 chapter volume offers an analysis of these constructions, their evolution and their interrelations.

Russ Meyer--The Life and Films David K. Frasier, 2010-06-28. Credited with having opened the floodgates of screen permissiveness in 1959 with the landmark nudie The Immoral Mr Teas, legendary independent softcore filmmaker Russ Meyer has continued throughout his 30 year career and 23 films to expand the limits of screen freedom with such genre classics as Lorna 1964, Faster Pussycat Kill Kill 1966 and Vixen 1969. Long recognized as an American auteur and honored by numerous international retrospectives of his work, Meyer's story provides valuable insights into independent filmmaking, the history of the modern sexploitation genre and cinema censorship. Researched from underground popular and film literature, this book also incorporates much of the material contained in Meyer's own vast archive to give an in depth study of the director, dubbed King Leer.

Film and Television In-Jokes Bill van Heerden, 2015-09-02. In *Only the Lonely* 1991, Ally Sheedy appeases prospective mother-in-law Maureen O'Hara by going along to see the 1939 film *How Green Was My Valley* starring Maureen O'Hara. Richard LaGravenese, slighted by critic Gene Siskel over his screenplay for *The Fisher King* 1991, wrote an unsavory character named Siskel into *The Ref* 1994. Movies and television shows often feature inside jokes. Sometimes there are characters named after crew members. Directors are often featured in cameo appearances. Alfred Hitchcock's silhouette can be seen in *Family Plot* 1976, for example. This work catalogs such occurrences. Each entry includes the title of the film or show, year of release, and a full description of the in-joke.

The New Gay for Pay Julia Himberg, 2018-01-13. Television conveys powerful messages about sexual identities and popular shows such as *Will* show how those practitioners operate within media conglomerates and perhaps most important, how they contribute to commonsense ideas about sexuality.
