The Ancient Secret of the Flower of Life, Volume 1 Drunvalo Melchizedek, 2012-04-28 Once all life in the universe knew the Flower of Life as the creation pattern the geometrical design leading us into and out of physical existence Then from a very high state of consciousness we fell in darkness and forgot who we were For thousands of years the secret was held in ancient artifacts and carvings around the world and encoded in the cells of all life Here Drunvalo Melchizedek presents in text and graphics the first half of the Flower of Life Workshop illuminating the mysteries of how we came to be why the world is the way it is and the subtle energies that allow our awareness to blossom into its true beauty Sacred Geometry is the form beneath our being and points to a divine order in our reality We can follow that order from the invisible atom to the infinite stars finding ourselves at each step The information here is one path but between the lines and drawings lie the feminine gems of intuitive understanding Explore the miracle of our existence by meandering through the wonderland of geometry science ancient history and new discovery seen through the widened vision of Drunvalo and the Flower of Life Volume 2 will explore in great detail the Mer Ka Ba the 55 foot diameter energy field of the human lightbody This knowledge leads to

ascension and the next dimensional world About the Author Drunvalo Melchizedek s life experience reads like an encyclopedia of breakthroughs in human endeavor He studied physics and art at the University of California at Berkeley but he personally feels that his most important education came after college In the last 25 years he has studied with over 70 teachers from all belief systems and religious understandings providing him with a wide breadth of knowledge compassion and acceptance Not only is Drunvalo s mind exceptional but his heart his warm personality his love for all life everywhere is immediately understood and felt by anyone who meets him For some time now he has been bringing his vast vision to the world through the Flower of Life program and the Mer Ka Ba meditation *The Ancient Secret of the Flower of Life, Volume 2* Drunvalo Melchizedek,2000 The sacred Flower of Life pattern the primary geometric generator of all physical form is explored in even more depth in this volume the second half of the famed Flower of Life workshop The proportions of the human body the nuances of human consciousness the sizes and distances of the stars planets and moons even the creations of humankind are all shown to reflect their origins in this beautiful and divine image Through an intricate and detailed geometrical mapping Drunvalo Melchizedek shows how the seemingly simple design of the Flower of Life contains the genesis of our entire third dimensional existence From the pyramids and mysteries of Egypt to the new race of Indigo children Drunvalo presents the sacred geometries of the Reality and the subtle energies that shape our world We are led through a divinely inspired labyrinth of science and stories logic and coincidence on a path of remembering where we come from and the wonder and magic of who we are Finally for the first time in print Drunvalo shares the instructions for the Mer Ka Ba meditation step by step techniques for the re creation of the energy field of the evolved human which is the key to ascension and the next dimensional world if done from love this ancient process of breathing prana opens up for us a world of tantalizing possibility in this dimension from protective powers to the healing of oneself of others and even of the planet Embrace the expanded vision and understanding that Drunvalo offers to the world Coincidences abound miracles flourish and the amazing stories of mysteries unveiled arise as the author probes the Ancient Secrets of the Flower of Life **The Ancient Secret of the Flower of Life: Remembering our ancient past** Drunvalo Melchizedek, **The Weiser Fields Guide to Ascension** Cal Garrison,2010-08-01 The Weiser Field Guide to Ascension tackles the vast topic so often misconstrued of the idea of ascending into a universal consciousness and creates a literal handbook to the historical biblical and highly topical implications of the concept of Ascension raising consciousness the earth shift and changes of 2012 and The Great Shift [Atlantis & Lemuria](#) Tom T. Past **Mahatma I and II** Brian Grattan,1994-01-01 What all of mankind have learned in the past about creation is the way that existence isn t a paradox Awaken and realize that all of mankind will create their body for Ascension whether they accomplish this now or later and that this is not the exclusive domain of Christ or Buddha or many others who have ascended this is your birthright You are not relegated to worshipping those who have already done this very basic initiation called Ascension Christ and Buddha would be the first to acknowledge that they are just beginners on their eternal journey When mankind lifts the veils of their unworthiness and recognize that the are the Sons of God that there is divine equality and no one is greater than another then you will have begun our journey in the way that it was intended In your near future your Planetary Hierarchy will release the world from theology ecclesiasticism and the wrathful Jehovah and return humanity to its

rightful journey into spiritualizing matter not worshipping it The Mahatma is for those who are motivated to search for the answers that can respond to their mental and spiritual bodies In the past mankind s choices of beliefs and religions have supported only the emotional body and the darker material side of life And truly if one is going to remain on Earth very drastic shifts of consciousness will be required to have mankind remain in Earth s new fourth dimensional reality No matter how contrary to your current beliefs this book contains methods for creating your spiritual Lightbody for Ascension and it also explains your eternal journey in a way that was never before available to mankind
