Moral Injury and the Humanities Andrew I. Cohen, Kathryn McClymond, 2023-08-11 This book brings together leading interdisciplinary scholars to broaden and deepen the conversation about moral injury In the original chapters the contributors present new research to show how the humanities are crucial for understanding the expressions meaning and significance of moral injury Moral injury is the disorientation we suffer when we are complicit in some moral transgression Most existing works address moral injury from a clinical or neuroscientific perspective The chapters in this volume show how the humanities are crucial for understanding the meaning and significance of moral injury as well as suggesting how to grapple with its lived challenges The chapters address the conceptual sociological historical and ritualistic dimensions of moral injury across three thematic sections Section 1 explores how tools of the humanities provide new lenses for understanding conceptual and genealogical themes about moral injury Section 2 highlights the experiences of moral injury in combat soldiers law enforcement and noncombatants such as photojournalists These chapters examine the power and limits to theorizing moral phenomena by appeals to lived experience Section 3 considers how humanistic inquiry illuminates important dimensions of the aftermath of moral injury beyond the scope of clinical research These chapters consider how ritual relationship repair and atonement might shape the ways people navigate moral injury and consider how such responses shape our understanding of what we owe to one another Moral Injury and the Humanities Interdisciplinary Perspectives is an essential resource for researchers and advanced students in philosophy religious studies literature journalism and the arts who are interested in moral injury

The Harlem Renaissance and Transatlantic Modernism Denise Murrell, 2024-02-25 Beginning in the 1920s Upper Manhattan became the center of an explosion of art writing and ideas that has since become legendary But what we now know as the Harlem Renaissance the first movement of international modern art led by African Americans extended far beyond New York City This volume reexamines the Harlem Renaissance as part of a global flowering of Black creativity with roots in the New Negro theories and aesthetics of Alain Locke its founding philosopher as well as the writings of W E B Du Bois Langston Hughes and Zora Neale Hurston Featuring artists such as Aaron Douglas Charles Henry Alston Augusta Savage and William H Johnson who synthesized the expressive figuration of the European avant garde with the aesthetics of African sculpture and folk art to render all aspects of African American city life this publication also includes works by lesser known contributors including Laura Wheeler Waring and Samuel Joseph Brown Jr who took a more classical approach to depicting Black subjects with dignity interiority and gravitas The works of New Negro artists active abroad are also examined in juxtaposition with those of their European and international African diasporan peers from Germaine Casse and Ronald Moody to Henri Matisse Edvard Munch and Pablo Picasso This reframing of a celebrated cultural phenomenon shows how the flow of ideas through Black

artistic communities on both sides of the Atlantic contributed to international conversations around art race and identity while helping to define our notion of modernism

The Star Wars Heresies Paul F. McDonald,2013-09-17 Despite the insatiable public appetite for all things Star Wars the more analytical side of the saga is all too often ignored This book offers a new way of seeing George Lucas space opera particularly the prequel trilogy a series never given a fair chance because of constant comparisons to the iconic originals In the classic style of Joseph Campbell the trilogy is viewed through the lens of myth and metaphor revealing a body of work not only worthy of scholarly study but perhaps destined to find therein its home A wide variety of philosophical and mythological themes are presented and expounded upon drawing from a rich source of scholars thinkers writers and poets from East and West alike Heretical or not the Star Wars prequels are a surprisingly rich source of insight into the saga as well as the human drama as a whole

God-Kings of the Nile: The Rise of Divine Kingship AJ Carmichael,2025-08-20 Across the deserts and along the banks of the Nile the pharaohs of Egypt built more than temples and tombs they built an enduring vision of kingship that linked gods cosmos and people into one eternal order This book takes readers on a sweeping journey through the age of the pharaohs weaving together history mythology archaeology and cultural memory to reveal how Egypt s rulers became symbols of immortality From the divine kingship of Narmer and the construction of the pyramids at Giza to the golden mask of Tutankhamun and the political drama of

Cleopatra each chapter uncovers how pharaohs shaped not only the destiny of Egypt but also the imagination of the world Themes of power ritual war sacred architecture and the afterlife bring into focus a civilization that saw its kings as living gods the guardians of Ma at cosmic order and justice Richly researched and vividly written this volume explores the pharaoh as priest warrior builder and eternal presence It examines the interplay between myth and history temples and tombs war and ceremony revealing how mortuary ideology preserved Egypt s identity for over three thousand years Whether describing the star aligned precision of the pyramids the thunder of chariot armies at Kadesh or the whispered prayers of priests tending funerary cults the narrative captures both the grandeur and the mystery of the pharaonic world For students of ancient history seekers of myth and mystery and lovers of Egypt s timeless legacy this book offers a compelling portrait of the most enduring kingship in human history where death was never an end but the beginning of eternity **Scripta Minoa**

L. szl Alm sy is best known for his fictional character in the English Patient movie but he was a real life desert explorer one of a handful who were searching out what is in the middle of the last remaining blank spot of the map of the world the central Libyan Desert Alm sy was particularly interested in the myth of the lost Zerzura Oasis he organised a number of expeditions to the central Libyan Desert pioneering the use of aeroplane in desert exploration He claimed to have identified a valley with vegetation in the Gilf Kebir with the mythical Zerzura however more importantly he discovered a number of spectacular prehistoric paintings including the famed Cave of Swimmers He wrote three books on his travels in Hungarian all of which appeared in the Library of the Hungarian Geographical Society series This first book With Motorcar to the Sudan 1929 describes a 1926 motorcar journey through Egypt and Sudan his first encounter with Africa Unlike his later two books this one contains no dramatic accounts of exploration or discoveries however it is a well written and amusing travelogue describing his first experiences and blunders while driving in the sand with a Steyr VII from Alexandria to Khartoum the first such accomplishment by an ordinary

automobile then further south to the Dinder for a three week hunting trip The crossing of the Nubian Desert in Sudan was a prelude to many of his greater desert voyages and the narrative provides interesting glimpses into Alms character and thinking
