Andy Stanley On Grace:

The Grace of God Andy Stanley, 2011-09-12 In order to be a people of grace we have to understand the story of grace and how grace transforms us Grace is more story than doctrine It s more than forgiveness or compassion It s undeserved by definition essential to salvation And it turns out that God s grace though it s the only thing we stand on and the only thing we should stand for is the very thing that we consistently distort and hesitate to extend to others Why is that Even now as we think about the simple and unconditional nature of grace our instincts cling to complexity and conditions We wonder What does grace have to do with justice or judgement How does grace overcome repeated misbehavior or bad habits To understand the story of grace what it means and how it s misunderstood why we need it and how it was given to us we have to begin at the beginning Follow Andy Stanley as he traces the story of grace through the Old and New Testaments of the Bible peering into the lives of biblical characters to discover how each story reveals grace to be God s preeminent characteristic from the very beginning See the narrative of Scripture in light of this grace as Pastor Andy reveals Why creation itself was an act of grace Why grace is inviting to the unrighteous and threatening to the self righteous Why grace is so predictably unpredictable Why no effort of ours can add to God s grace Combining biblical study personal story and an urgent message to today s Christians and churches *The Grace of God* is Andy Stanley s clearest most powerful message on the thing that defines our relationship with our God and with one another
