

AN EXAMPLE OF AN **ANECDOTE**:

My earliest slumber party takes me back to the night of an impending thunderstorm and my mother announcing, "Get your sleeping bags!" My brother and sisters and I carried our no-nonsense sleeping bags, rolled and tied with strings, to the living room. My twin sister arranged our pillows to touch. We formed our circle of sleeping bags against the storm and counted "Mississippi's" to determine the thunder's distance. We buried our faces when lightening lit up the walls, and after the storm passed, we fell asleep to our collective breathing and the certainty that no harm would come if we stuck together.

The **topic sentence** establishes the focus of the paragraph: to tell the story of the writer's earliest memory of a family slumber party

The writer provides **supporting details** to help readers imagine this slumber party. Notice how the details provide the who, what, when, where, how and why of this moment.

The writer ends the paragraph with a **closing sentence** that helps the reader think more deeply about the topic sentence by offering a reflection on why this moment in her life is significant.
