On Magic & Miracles Marian A. Jacobs,2025-07-01 From classic fantasy like *The Lord of the Rings* and *The Chronicles of Narnia* to modern stories like *Harry Potter* Christians have been debating the issue of fictional magic for decades Some believers read and write fantasy as an expression of their God given creativity while others feel this is dangerous and ignorant of the growing threat of the occult Deuteronomy 18 says spells and other forms of magic are an abomination but how does that apply to fantasy magic Is there a difference between the Deep Magic of Aslan at the Stone Table and the spells in *Harry Potter* Is it possible for fictional magic to lead someone into the occult Adults and children alike have wrestled with these questions as the fantasy genre exploded into one of the most popular book and film genres on the market In this guidebook Marian A Jacobs explores the theology of magic gleaned contextual clues surrounding supernatural events in the Bible These scriptural principles can assist readers movie lovers gamers and parents in discerning how fantasy can both edify and honor God *On Magic and Miracles* aims to answer the following questions What is the difference between magic and miracles in the Bible Is magic real And if so does it pose a genuine threat Could books like *Harry Potter* lead someone into the occult What is the importance of fantasy for Christians How can I discern fantasy books films and games for myself and my children

Unchaining the Lion Caleb Eissler,2015-10-16 Does God exist How can a good God allow pain and suffering Can we trust the Bible Is Jesus a copy of earlier pagan gods Is Jesus the only way to God What does the Bible actually say about homosexuality transgenderism and abortion Did Jesus actually rise from the dead After living as a strong Christian for most of his life Caleb Eissler began to seriously doubt the very beliefs he had so tightly held to When he entered college he began wrestling with these very questions Eissler realized that Christianity had to answer these questions and more if it was to be taken seriously Ready to walk away from his faith if Christianity was found to be false he embarked on a journey to find the truth After years of research Eisslers faith wasnt just sustained but transformed He not only found the claims of Christianity to be true but also to be even more amazing than he had ever imagined Eisslers doubt research and soul searching fueled a new passion to help others rationally think through the same questions he had encountered *Unchaining*

the Lion is the culmination of Eisslers research and passion Unchaining the Lion sets out to bridge the gap of misunderstanding between Christianity and secular culture by laying out the claims and evidence for Christianity while addressing countless objections and questions along the way To non believers Eissler provides a coherent and easy to follow explanation of the beliefs and the defenses of Christianity while challenging them on their presuppositions about the world the Bible and God To Christians he provides a solid and deep defense of the claims of their faith that will surely help any believer Unchain yourself from the shackles of doubt towards Christianity as Eissler shares a truth that the world must hear

Spiritual Warfare Alistair Cuthbert, 2025-07-29 Continuous global news coverage reveals the relentless and pervasive ongoing nature of evil human action and its impact on persons communities and countries around the world Whether it is world wide human trafficking global arms dealing dehumanizing sweat shops country wide genocides and so on there is no shortage of evidence to suggest that there is much evil conflict suffering pain and loss on this planet For the Christian there is the added challenge of trying to reconcile this marred world with a belief in an all powerful and benevolent deity Stories from the persecuted church reveal that the Christian church is not immune to these evil powers and principalities that are stoking up as much chaos here on earth as they possibly can **Spiritual Warfare** A Charismatic Baptist Theology of Participating in Divine Conflict attempts to try and help to make sense of the presence of the God in a world beset by evil and strife Using the extensive theological corpus of British Baptist scholar Paul S Fiddes **Spiritual Warfare** articulates a doctrine of God which can remain intact when situated in the world as we know it and help make sense of evil that has not yet been eradicated by God **Spiritual warfare: fact or fiction?** Susan Mansfield, **When Demons Surface** Steve Dabbs, 2024-07-23 Are demons real Do ghosts exist Do some medical and mental health issues have a spiritual cause In **When Demons Surface** former senior military chaplain Steve Dabbs answers these questions and more Exploring more than 50 true stories of supernatural encounters from personal historical and pastoral experiences this book will enable you to gain insights from advanced biblical research discern if some medical or mental health issues are the result of spiritual warfare resolve paranormal activities and identify supernatural encounters exercise biblically granted power and authority over evil spirits Whether you re a student of what the Bible says about spiritual warfare or you re seeking answers about supernatural experiences the insights found in this book will intrigue enlighten and equip you The Spirit clearly says that in later times some will abandon the faith and follow deceiving spirits and things taught by demons 1 Timothy 4:1 NIV That is presently happening all over the world and pastors disciplers and counselors are waking up to that reality and learning how to set captives free Steve Dabbs discovered this when he was a chaplain in the military and shares his learning and experiences in this helpful book that you should read and add to your library Dr Neil T Anderson founder and president emeritus of Freedom in Christ Ministries **Celestial Beings** Lennox Harlow, AI, 2025-02-26 **Celestial Beings** explores the fascinating world of angels demons and divine messengers across various religions examining their roles attributes and significance These

spiritual entities often depicted in religious texts raise fundamental questions about faith and humanity's place in the cosmos. The book delves into the origins and evolution of these figures, revealing how their perceptions have shifted over centuries and how they reflect core values and beliefs. For example, different traditions attribute varying degrees of free will and power to angels influencing ethical frameworks within those religions. The book progresses logically, beginning with fundamental concepts of angelology and demonology before dedicating chapters to specific traditions like Judaism, Christianity, and Islam. It then offers a comparative analysis, highlighting commonalities and differences across religious boundaries. A unique aspect of *Celestial Beings* is its emphasis on comparative analysis, examining the similarities and differences in the depiction of celestial beings across various religious landscapes. This approach sheds new light on the underlying themes and motifs that resonate across cultures. This study, supported by detailed textual analysis of scriptures and historical narratives, is valuable for students of religion, theology enthusiasts, and anyone interested in exploring the spiritual dimensions of human experience. By understanding the beliefs and practices surrounding celestial beings, readers can foster more informed interfaith dialogue and promote greater tolerance for diverse spiritual perspectives.

Issues in Contemporary Christian Thought Duane Olson, Olson's clear and concise overview roots contemporary questions firmly in Christian responses to the Enlightenment. He discusses the range of contemporary opinions, their rationales, and what's at stake. Olson illustrates these alternate frameworks as they play out in central concerns over the being of God in relation to the universe, how to understand the figure of Christ today, and the distinctively new notions of being human. Specifically geared to the novice theologian in college or seminary settings, Olson's text includes Reflection, Research Questions, Suggestions for Further Reading, and a Glossary.

All You Want to Know But Didn't Think You Could Ask Jessica Lyn Tinklenberg deVega, Christine Ortega Gaurke, 2012. This book clarifies the founding history, practices, and beliefs of world groups and philosophies. Each chapter puts the group in context and explains how the religion is similar to or different from Christianity.

The Conqueror's Tread Shandon L. Guthrie, 2022-02-02. For many Christians, the concept of spiritual warfare involves scenarios that are often enchanting, extravagant, and even parapsychological. Hard-lined skeptics respond by treating it instead as an archaic and outmoded superstition, a farce. While we might think a simple reading of Scripture will settle the matter, this has not been the case since those writing on the subject are tacitly influenced by dubious philosophical commitments and presuppositions left unchecked. This groundbreaking book incorporates philosophical reasoning in formulating for the everyday Christian a robust biblical doctrine of spiritual warfare. It is a serious but readable attempt to understand what spiritual warfare is by addressing both the theological and philosophical issues involved. *The Conqueror's Tread* dares to take a reasoned approach to pressing questions such as: Do supernatural beings really exist? If so, what are they and what can they do? Are there territorial spirits? Is exorcism a part of spiritual warfare? Does spiritual warfare involve speaking aloud, prayerwalking, and breaking curses? What can evil spirits do to Christians? Can Christians be demon possessed? Why would God allow his people to be in a state of

conflict with evil spirits What is Christian holiness and how do we pursue it What role does apologetics have and many more
