|-----------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Old Major | Old, wise, respected, and almost transcendent among the animals. Old major is an old boar who represents Karl Marx. Marx founded the ideology of communism, but much like major, never saw the fruits of his labor. He serves as a rallying point and catalyst for the revolution, but importantly dies, leaving room for Napoleon and Snowball to fill a power vacuum with support that Major created.                                                                                                                                           |
| Snowball  | Snowball is a young pig who represents Leon Trotsky. His youth and intelligence make him a part of a group that wishes to genuinely carry out the revolution's intentions truthfully.                                                                                                                                                                                                                                                                                                                                                             |
| Napoleon  | Napoleon is the 'antagonist' of Animal Farm and represents Joseph Stalin. Napoleon is cunning and intelligent, and at the beginning originally helps with the revolution, aiding snowball. However, it is soon apparent that Napoleon is power hungry, and will soon enact measures of force to secure the newly found power he has found. In many ways he is will become a worse oppressor than Mr. Jones, he is not as easily attackable, and is almost immune to criticism due to his role in the revolution. He represents a new, worse evil. |
| Squealer  | Squealer is a young, clever pig who uses his ability for words and persuasion to spread messages, particularly for Napoleon. His main function is to represent the propaganda present in many communist nations.                                                                                                                                                                                                                                                                                                                                  |
| Mr Jones  | Mr. Jones is the original owner of the farm, and the animals' oppressor; he represents Tsar Nicholas and the general capitalist authority. We see Jones is a mad drunk, who uses his power to harass the animals. Ultimately this is his undoing, however he still lingers through the farm after the revolution by remaining as a scare tactic employed by Napoleon.                                                                                                                                                                             |
