Giving Christianity Back to Agape Love Matthew Carriker,2022-05-09 How could a church that has been plagued by anti Semitism the killing of the Crusades and the violence of the Inquisition to name a few be redeemed of these evils Quite simply it has always returned to Jesus When you return to Jesus you return to the heart of his message agape Agape is a Greek word in the New Testament referring to a love that is without limits and beyond conditions Agape is the love that God has for us and that we are called to have towards one another This book centers around this one assumption God loves us unconditionally Our task individually and as communities is to be instruments of that love This book reenvisions traditional Christian beliefs including sin the Bible salvation homosexuality pluralism Jesus and atonement theology through the lens of agape love What would the Christian life look like if we embodied the good news in community as contemplatives in action In a time when churches are dying and failing giving Christianity back to agape love has the power to bring life into a religion that feels old worn out and over institutionalized To return Christianity to Jesus is to give the church universal back to a love that is boundless free and unconditional to a love that finds its heart in service peacemaking and radical transformation to a love that will set the world on fire
