Anna Kareacutenine Anna Karenina French Edition:

Anna Karenina Volume 2 of 3 (EasyRead Comfort Edition) , Anna Karenina - The Original Classic Edition Graf Leo Tolstoy, 2011-11 A crisis develops in the Oblonsky household when Dolly finds out about her husband's affair. Stiva's sister Anna Karenina arrives to reconcile the couple and dissuades Dolly from getting a divorce. Konstantin Levin, Stiva's friend, arrives in Moscow to propose to the eighteen-year-old Kitty Shtcherbatsky. She refuses him for she loves Count Vronsky, a dashing army officer who has no intentions of marrying. This is a high quality book of the original classic edition. It was previously published by other bona fide publishers and is now finally back in print. This is a freshly published edition of this culturally important work which is now at last again available to you. Enjoy this classic work. These few paragraphs distill the contents and give you a quick look inside. The liberal party said or rather allowed it to be understood that religion is only a curb to keep in check the barbarous classes of the people and Stepan Arkadyevitch could not get through even a short service without his legs aching from standing up and could never make out what was the object of all the terrible and high flown language about another world when life might be so very amusing in this world. She was just attempting to do what she had attempted to do ten times already in these last three days to sort out the children's things and her own so as to take them to her mother's and again she could not bring herself to do this but now again as each time before she kept saying to herself that things cannot go on like this that she must take some step to punish him put him to shame avenge on him some little part at least of the suffering he had caused her. Stepan Arkadyevitch could be calm when he thought of his wife he could hope that she would come round as Matvey expressed it and could quietly go on reading his paper and drinking his coffee but when he saw her tortured suffering face heard the tone of her voice submissive to fate and full of despair there was a catch in his breath and a lump in his throat and his eyes began to shine with tears. The principal qualities in Stepan Arkadyevitch which had gained him this universal respect in the service consisted in the first place of his extreme indulgence for others founded on a consciousness of his own shortcomings secondly of his perfect liberalism not the liberalism he read of in the papers but the liberalism that was in his blood in virtue of which he treated all men perfectly equally and exactly the same whatever their fortune or calling might be and thirdly the most important point his complete indifference to the business in which he was engaged in consequence of which he was never carried away and never made mistakes. Why it was the three young ladies had one day to speak French and the next English why it was that at certain hours they played by turns on the piano the sounds of which were audible in their brother's room above where the students used to work why they were visited by those professors of French literature of music of drawing of dancing why at certain hours all the three young ladies with Mademoiselle Linon drove in the coach to the Tversky boulevard dressed in their satin cloaks Dolly in a long one Natalia in a half long one and Kitty in one so short that her shapely legs in tightly drawn red stockings were visible to all beholders why it was they had to walk about the Tversky boulevard escorted by a footman with a gold cockade in his hat all this and much

more that was done in their mysterious world he did not understand but he was sure that everything that was done there was very good and he was in love precisely with the mystery of the proceedings **Anna Karenina** Leo Tolstoy,2012-07-17

Happy families are all alike every unhappy family is unhappy in its own way Everything was in confusion in the Oblonskys house The wife had discovered that the husband was carrying on an intrigue with a French girl who had been a governess in their family and she had announced to her husband that she could not go on living in the same house with him This position of affairs had now lasted three days and not only the husband and wife themselves but all the members of their family and household were painfully conscious of it Every person in the house felt that there was no sense in their living together and that the stray people brought together by chance in any inn had more in common with one another than they the members of the family and household of the Oblonskys The wife did not leave her own room the husband had not been at home for three days The children ran wild all over the house the English governess quarreled with the housekeeper and wrote to a friend asking her to look out for a new situation for her the man cook had walked off the day before just at dinner time the kitchen maid and the coachman had given warning Anna Karenina graf Leo Tolstoy,1886 *Anna Karenina* Lev Nikolaevič Tolstoj,1961 **Anna Karenina** Leo Tolstoy,Count Leo Nikolayevich Tolstoy, 1828-1910 Gra,2003-03 **Anna Karenina** Graf Leo Tolstoy,2020-05-15

were women too he remembered Stepan Arkadyevitch's eyes twinkled gaily and he pondered with a smile Yes it was nice very nice There was a great deal more that was delightful only there's no putting it into words or even expressing it in one's thoughts awake And noticing a gleam of light peeping in beside one of the serge curtains he cheerfully dropped his feet over the edge of the sofa and felt about with them for his slippers a present on his last birthday worked for him by his wife on gold colored morocco And as he had done every day for the last nine years he stretched out his hand without getting up towards the place where his dressing gown always hung in his bedroom And thereupon he suddenly remembered that he was not sleeping in his wife's room but in his study and why the smile vanished from his face he knitted his brows **Anna**
