Ananias Helps Saul Craft:

The Little Oxen Programme Booklet Walter Firth, 2017-07-25 When author and high school teacher Walter Firth attempted to start a Christian after school programme he found that the traditional curriculum sources had not been meeting the demands of today's society. By putting his teaching skills to good use he began formulating a programme designed to engage with students' emotional, moral, intellectual, social and spiritual development. The Little Oxen Programme Booklet presents a set of lessons designed for either after school activities or Sunday school. They are designed to be fun and exciting whilst supporting and nurturing children in a safe and caring environment. Building on biblical stories and intended for a two person teaching team, each lesson includes a range of activities including arts, crafts and drama. These work to engage students' attention and convey important messages to young people. Insightful and practical, this programme of biblical studies guides the development of children and youth in a way that current Christian material tends to miss. *Adventures in Habit-craft* Henry Park Schauffler, 1926 **A New Family Bible, Containing the Old and New Testaments, with Notes, Illustrations and Practical Improvements; Selected from the Exposition of the Rev. God equips and deploys us, his saints, in this magnificent campaign. But the Almighty does not arm us from just a single arsenal of gifts as is commonly supposed. Instead, he draws from three distinct arsenals: abilities, leaders, and the charismatic gifts. The triune God gives triune gifts. What are these gifts? What are they like and how do they work? These three arsenals differ profoundly from one another. But the church has not truly discerned this, and so a fog of confusion has enveloped the whole subject. Confusion brings futility and frustration; clarity brings effectiveness and fulfillment. Who gives the gifts and to whom? When are they given? Are the gifts natural, supernatural, or both? Can any Christian operate in any gift? Where do the gifts live? Can you use them at any time? Can you operate in God's gifts at will? The answers may surprise you. God's Triple Threat: An Inquiry into the Spiritual Gifts works carefully, step by step, to bring clarity to this often confusing subject, with exuberant illustrations for application. Author Greg Carlson prays that the vision in this book will become a reality in his lifetime. So the clock is ticking for you and your church to more fully experience the dynamic of God's threefold gifts.
