Beyond My Control Lee Hamelin, 2024-04-18 In 1967 when Lee Hamelin was just four years old he and several of his siblings were forcibly removed from their Aboriginal family's home in northern Alberta Canada never to return again With the authorities labelling his mother as morally depraved and of no benefit to society Lee and his siblings became wards of the government Little did they realize it at the time but they had just become part of the Sixties Scoop the mass removal of Aboriginal children from their families into Canada's child welfare system from the mid 1950s to the 1980s While the Sixties Scoop exposed thousands of Aboriginal children to the horrors of the residential school system Lee and his brother avoided that fate Instead they were placed with loving foster parents who raised the two boys as if they were their own Lee is immensely thankful for the situation where he and his brother ended up However growing up in a white home as a visible minority in his community completely cut off from his Aboriginal roots still created many complications that he has had to cope with throughout his life including racism prejudice and questions about his identity In this gripping and honest memoir Lee seeks to contextualize his experience within the trauma that so many other such forced abductions created and the broader colonial context within which they took place Despite the darkness of these years through it all comes a positive message of love hope and reconciliation for all

suffered at the hands of her mother's boyfriend Harley Bull. What's a girl of six to do? She loved her daddy Gustav Swenson but was seeing him only on weekends enough. No Abandoned by her mother Gustav gains custody Gustav and Paulette move from Washington State to farm half of his brother's homestead in Newfolden Minnesota. She learns the meaning of love the expected promise of forever. From her daddy Yes. From her aunties Laura and Ulla Yes. From her best friend Mary Yes. From Jacky Slogard Absolutely. But sometimes love is not as comely and dependable as we might wish it to be is it? The growth of overall peace and happiness of contentment with our place in life can very well come with a number of unpleasant circumstances during the living of that life. Will there be surprises in Paulette's life? Yes. Will there be miracles? Definitely. Life itself is a miracle. And within life finding love and giving love are precious miracles. Paulette all of us must embrace those precious moments of love's worth.

According to Harry Harry Craddock, 2019-01-01 It is a story about the life of one man his family and his friends as they lived out these changing times. It is a sometimes humorous but romantic saga some history with slices of gallantry heroism and bigotry but in the end huge amounts of love. And while this is an autobiography it also tells facts not fiction about the times and happenings during this period in our country. Maybe you'll see something that brings back your own personal memories. Follow the life of this ordinary man as he lived it. According to Harry **Murderer with a Badge** Edward Humes, 2014-03-11 From the Pulitzer Prize winning author The story of L.A.'s dirtiest cop. A riveting glimpse of the dark side of human behavior. Flint Journal. Bill Leasure was among the least ambitious officers ever to wear the badge for the Los Angeles Police Department. He was content to work the traffic beat and only rarely gave out tickets. He also ran scams that netted him countless riches from stealing yachts to collecting guns and cars. And he further enriched himself by setting up a murder-for-hire ring. Was he in it for the thrills? Was he a cop playing both sides of the law for the fun of it? Pulitzer Prize winning journalist Edward Humes explores the lies and psychopathy that enabled Bill Leasure to fool even the most savvy of city prosecutors his own wife. Rife with vivid description. Disturbing. The Miami Herald. Fascinating. A superbly crafted chronicle of one of the most complex enigmatic criminals in memory. Far stronger and more compelling than most crime fiction. Kirkus Reviews. Excellent. Authoritative. Impeccably documented and disturbing. The Orange County Register. Painstaking research and hair-trigger pacing. Publishers Weekly.
