Stages of Life Brian E. Brown,2024-11-27 Stages of Life is a workbook written for men who are struggling to find their pathway to life due to absent fathers in the home and a lack of knowledge about navigating through the normal phases of life In today s society it has become difficult for men to figure out their significance and with the rise of single parent households with the mother being the dominant force in the home due to no male presence it can change the role of men in society and hinder their growth process while causing them to be dependent on their mothers care way past their normal age standard Some men grow up in an environment where they are also unable to get guidance and support on what it means to be masculine walking with good posture being a leader or a protector and to be responsible for your life The absence of a father figure or a good male role model leaves the young man in a place of searching for his identity This is why Stages of Life was written in order to help men bring clarity to their understanding of who they are and why they were created to fulfill a purpose in life The workbook will explain the three phases of life that we are presented with but you have a choice on whether or not you will live out your life through these phases The author then coaches you through each of the six stages by helping you evaluate the choices you make and by giving you testimonies of his own personal experiences that hindered his life from moving and the choices he made that propelled him to find his purpose in life Understanding the stages that you go through in life is so important and many men miss these details which cause them to be stuck in a job or career they don t like This limits their exposure to other possibilities they were designed for It then leaves them with the question Why was I born Stages of Life will help you find the purpose for your life if you are willing to make a choice to read and complete this workbook If you want to experience a life changing experience today obey the Holy Spirit who is prompting your heart right now to buy this workbook Stop making excuses like I don t have time to read or This won t help me Listen It may be a struggle getting there but it s worth it Stages of Life was written to help men like you find their pathway and guide them down the right road to fulfill the plan God has for them A powerful leader said this statement that changed my life Discipline is the bridge between thought
