Hopkins,2023-09-12 An important work

highlighting the theological foundation of social action Christ himself lived in a time of immense social and political turmoil as did his early followers But can those early struggles provide guidance for God's faithful in today's divided world Episcopal priest and peace advocate Michael W Hopkins proves that they can tracing the origins of Christian responsibility all the way back to the indissoluble bond of baptism drawing a clear line between those fraught early days and the turbulent present that Jesus commands Christians to engage in Called to Act peels back the historical and scriptural underpinnings of Christianity to exhume the social obligations inherited by all members of the kingdom of God Through interpretation of Jesus words works and sacraments modern day Christians can begin to reframe their fundamental outlook on and participation in the world working as one to build communities of mutual care Rather than allow differences of opinion or misguided attempts at neutrality to divorce Christians from the necessary work of political and community engagement Hopkins provides compelling scriptural evidence for a new kingdom united not by what has been left undone but by what Christians are called to do for each other Encyclopedia of Christianity in the United States George Thomas Kurian, Mark A.

Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation Issues in Prayer Book Revision Robert W. Prichard, 2018-09-17 Essays from academics across a spectrum of perspectives The Standing Commission on Liturgy and Music sought input from multiple sources in order to better understand the charge of the General Convention of 2015 suggesting that it present a plan for the revision of the Book of Common Prayer to the 2018 Convention While the individual chapters of this volume raise a variety of differing issues they share a common assumption that one of the sources of information for the Standing Commission and the Church in its deliberations ought to be the community of academically trained liturgical scholars The hope of this volume is to open a conversation across the church that will continue in the future **Anglican Confirmation 1820-1945** Phillip Tovey, 2024-06-03 This book focuses on Anglican

Confirmation in theology liturgy and practice from 1820 to 1945 This was a period of great change in the ways Anglicans

approached Confirmation The Tractarian movement transformed the Communion and its ideas were carried overseas with the missionary movement The study examines the development of a two stage theology and its reception It analyses the wave of liturgical revision expressed in England in the 1928 Prayer Book It explores the episcopal changes in practice from the eighteenth century paradigm to a new way of confirming The revolution of the time has left a legacy that still informs practice while doubts about theology and its liturgical application have left an existential crisis The author reflects on how the current situation in various provinces has its roots in this period and the diffusion of ideas in the Communion The book offers a fresh systematic examination of the neglected ecclesial practice of Confirmation providing a more holistic view and clarifying developments to help us better understand the present It will be of particular interest to scholars of Christian theology liturgy ecclesiology and church history
