Congress House, 1919 **The Methodist Year Book ...** William Harrison De Puy, Arthur Benton Sanford, Stephen van Rensselaer Ford, Oliver Sherman Baketel, Frank Wade Smith, 1882 The Living Church, 1942 Visions of British Culture from the Reformation to Romanticism Celestina Savonius-Wroth, 2022-01-17 This book is a major new contribution to the study of cultural identities in Britain and Ireland from the Reformation to Romanticism It provides a fresh perspective on the rise of interest in British vernacular or folk cultures which has often been elided with the emergence of British Romanticism and its Continental precursors Here the Romantics discovery of and admiration for vernacular traditions is placed in a longer historical timeline reaching back to the controversies sparked by the Protestant Reformation The book charts the emergence of a nuanced discourse about vernacular cultures developing in response to the Reformers devastating attack on customary practices and beliefs relating to the natural world seasonal festivities and rites of passage It became a discourse grounded in humanist Biblical and antiquarian scholarship informed by the theological and pastoral problems of the long period of

religious instability after the Reformation and over the course of the eighteenth century colored by new ideas about culture drawn from Enlightenment historicism and empiricism This study shows that Romantic literary primitivism and Romantic social thought both radical and conservative grew out of this rich context It will be welcomed by historians of early modern and eighteenth century Britain and those interested in the study of religious and vernacular cultures

The Churchman ,1896 Liturgical Calendars, Saints and Services in Medieval England Richard W. Pfaff,2024-10-28

This book includes four hitherto unpublished papers together with a substantial introductory historiographical and bibliographical overview Many of the studies concern the liturgical views of figures like Lanfranc St Hugh of Lincoln and William of Malmesbury an edition of William s Abbreviatio Amalarii is included and the ways Thomas Becket and the Venerable Bede were viewed liturgically Others reveal the achievement of an 11th century Canterbury scribe lay out a hagiographical puzzle as to the saints venerated on the 19th January ask why calendars come to be attached to psalters demonstrate that monks at Canterbury Cathedral were still reading Old English homilies in the 1180s and present a fascinating previously misunderstood psalter owned by bishop Ralph Baldock c 1300 Two final papers deal with Sarum services in late medieval parish churches and with the devotional practice called St Gregory s Trental

Equip Yourself to Serve: A Training Course in Lay Ministry ,1990 **The Post Almanac for the Year ...** ,1899 **The Use of Hereford** Mr William Smith,2015-10-28

The Use of Hereford a local variation of the Roman rite was one of the diocesan liturgies of medieval England before their abolition and replacement by the Book of Common Prayer in 1549 Unlike the widespread Use of Sarum the Use of Hereford was confined principally to its diocese which helped to maintain its individuality until the Reformation This study seeks to catalogue and evaluate all the known surviving sources of the Use of Hereford with particular reference to the missals and gradual which so far have received little attention In addition to these a variety of other material has been examined including a number of little known or unknown important fragments of early Hereford service books dismembered at the Reformation and now hidden away as binding or other scrap in libraries and record offices

The Sentinel Almanac and Book of Facts ,1899 **Changing Church** Jann Aldredge-Clanton,2011-11-01

Through the fascinating stories of pioneering ministers this book reveals a unique picture of progressive changes occurring in the Christian tradition Meeting challenges and overcoming obstacles these twelve diverse ministers are changing the church as they take prophetic stands on gender race interfaith cooperation ecology sexual orientation economic opportunity and other social justice issues Believing in the power of sacred symbolism to shape social reality and to provide a foundation for justice and freedom for all people these ministers lead worship with inclusive language and imagery for humanity and divinity They include multicultural female and male images of the Divine Their stories affirm the connection between this expansive

theology and an ethic of justice and equality in human relationships In working from within to change the church these ministers have risked censure by denominational authorities loss of opportunities for promotion to larger congregations or to prestigious denominational positions and even loss of their jobs They have found creative ways to balance advocating for change and working to support the church using their positions as ordained clergy to bring liberating change to the church and the wider culture
